### Joint Purchase Information

#### Scope of Work:

The firewall provides critical protection to Lake County's network and data. The current firewall is end of life and will not receive support or updates from the manufacturer or vendor as of September 2018.

#### Procurement Method:

IT identified a cooperative purchasing contract with [CDW-G, Vernon Hills](#), through the State of Illinois Master Contracts for Cisco Products to procure the needed services and equipment that was competitively solicited and awarded.

#### Department Recommendation:

The Purchasing Division vetted State of Illinois contract # CMS7891190 and determined that it met the requirements pursuant to State of Illinois Joint Purchasing Act and the Lake County Purchasing Ordinance. Lake County may participate in joint purchasing agreements for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
