The National IPA contract was awarded in March 2018 and Lake County is piggybacking on the contract to procure the hardware and contract for the ongoing service and support through the remainder of the contract.

Department Recommendation:

The Purchasing Division vetted National IPA Contract #2018011-01 and determined that it met the requirements pursuant to State of Illinois Joint Purchasing Act and the Lake County Purchasing Ordinance. Lake County may participate in joint purchasing agreements for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
