### Joint Purchase Information

#### Scope of Work:

Trane will supply and install two new packaged roof top ventilation units, new/modified interior supply and return ductwork, new VAV boxes, unit heaters, sensors, and building controls at the Child Advocacy Center in Gurnee.

#### Procurement Method:

Facilities identified a national cooperative contract with U.S. Communities Government Purchasing Alliance (15-JLP-023) that provides the cost for goods, services and labor at an already negotiated rate. This is authorized by Article 10, Section 101 of the Lake County Purchasing Ordinance.

**Department Recommendation:**

The Purchasing Division vetted the contract with [U.S. Communities](#) and determined that it met the requirements pursuant to State of Illinois Joint Purchasing Act and the Lake County Purchasing Ordinance. Lake County may participate in joint purchasing agreements for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
