

Children's Advocacy Centers of Illinois FY 19 VOCA

June 29, 2018

Lake County Children's Advocacy Center

Dear Carrie:

Your FY19 VOCA grant continuation materials have been reviewed for allowables, content and budget. The overall grant amount stayed at 7.1 million dollars, and the applications totaled well over that amount. That being said, we were not able to accommodate every request and cuts had to be made.

Maintaining current personnel and training were the top priorities when reviewing budget and narratives. Keeping those priorities in mind, your FY19 VOCA grant amount has been approved for the amount of: \$233,006

The following items have been removed or reduced from your budget.

- Removed new position
- Removed fringe for bilingual advocate
- Removed items listed on narrative but not on spreadsheet

If you received less than your application request, please submit a corrected budget sheet and budget justification narrative by email to barbara@cacionline.org and kmurphy@central-illinois-cpa.com no later than Wednesday, July 11, 2018 at 5 p.m.

As always, do not hesitate to contact us with any questions or for assistance
