Please see kudos below from Fred (Fritz) Cheseck in regards to a WMAG grant that Patty, Ernesto and myself assisted them with. We all worked very closely with the Loch Lomond Property Owners Association to get their Lakes Management Plan completed.

Hi Ashley,

We have received and approved the Final Draft of the Loch Lomond Lake Management Plan and are requesting the \$12,000 be submitted to our LLPOA Manager, Allan J. Kolman. It is my understanding you have received a final draft of the plan from Hey & Associates; if not, let me know.

Finally, I wish to personally thank you, Patty, and the staff at Stormwater Management Commission for all your help over these many years with our questions and concerns when shepherding these grants through to their conclusion.
