Dear Mrs. Philipp:

I am writing with information concerning your Victims of Crime Act (VOCA) grant. Staff recommended an increase in your current designation for your VOCA funded program agreement #216444. This increase was approved, and will be made from the FFY 16 VOCA award of \$76,965 with a match of \$19,241. This will allow your currently funded VOCA program to continue until June 30, 2019; when your grant will then be renewed for another 18 months.

Your new period of performance will be 2/1/2018– 6/30/2019 and your increased designation will be \$230,895 with a required match of \$57,724 (with the additional six months). I have attached the documentation necessary for the Budget Revision as well as your current approved budget. Please use the attached documents to submit your proposed funding for the continuation of this program. **The Budget Revision is due no later than November 9, 2018 and your grant will not continue if the amendment is not signed by December 30, 2018.** Please note that **no new budget items** may be added to the budget revision. This increase is only for the extension of the current program.

If you have any questions concerning this designation, please feel free to call me at 312-793-8910 or email me at Rise.Evans@illinois.gov. I look forward to working with you on the continuation of this program.

Sincerely,
