10 18-1470

Presentation of the Regional Transit Authority's (RTA's) estimated 2019 Budget.

PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)

There was no public comment.

CHAIRMAN'S REMARKS

VETERAN'S DAY

This past weekend, Veterans Day was celebrated. I'd like to thank those in our military who gallantly served and/or are serving. It was a privilege to attend the 2018 Veterans History Project program, honoring the 34,957 veterans living in Lake County.

2019 FISCAL YEAR BUDGET

There will be a presentation on the recommended Fiscal Year 2019 budget today. It is important to note that grants help fund many County programs and services. Grants total over \$31.75 million in the county budget and examples will be provided in the presentation.

HEALTH

In light of the many concerns expressed by our residents, the Board of Health report will include an update regarding ethylene oxide emissions in Lake County.

GARY DEL RE

I am sad to announce the passing of former Lake County Sheriff Gary Del Re. Del Re served as Undersheriff from 1994 and took over the Sheriff's position in 1996. He was subsequently elected in 1998 and served until 2006. Our thoughts and prayers are with the Del Re family.

LIQUOR CONTROL COMMISSION HEARING

At the Monday, October 29, 2018 Liquor hearing for unincorporated properties in Lake County:

A change of manager was approved for the Wheeling Park District DBA Chevy Chase Country Club;

Blarney's Island was found guilty of charges stemming from incidents that occurred on July 28 and July 29, 2018, including:

Permitting the sale of alcohol to an intoxicated person on July 28 and July 29, 2018;

Permitting disorderly conduct on July 28 and July 29, 2018; and

Permitting a battery on July 29, 2018.

Blarney Island was ordered to pay a \$3,000 fine and install video surveillance cameras before its reopening in April 2019.

HEALTH AND COMMUNITY SERVICES COMMITTEE

51 18-0065

Board of Health Report.

Ethylene Oxide Emissions Investigation in Lake County

On November 2, the Lake County Health Department learned about concerns of ethylene oxide emissions from Medline Industries in Waukegan, and Vantage Specialty Chemicals in Gurnee. The Health Department began an investigation immediately and is working with local, state, and federal agencies to protect the health of Lake County residents. The Illinois and U.S. Environmental Protection Agencies are solely responsible for regulating (monitoring and permitting) emissions. The U.S. Environmental Protection Agency has agreed to add a Lake County page to its website to keep residents informed about the

investigation. Information on accessing this site will be provided to the public as it becomes available. Ethylene oxide is a colorless gas used to make other chemicals that produce many everyday products. It is also used in sterilizing medical and dental equipment. People can be exposed to ethylene oxide through direct inhalation, ingestion, or contact to the skin. The U.S. Environmental Protection Agency classified ethylene oxide as a human carcinogen in December 2016. If you are concerned about your ethylene oxide exposure risk at work, first speak with your employer. Talk to your doctor about any health concerns you have and cancer screening options.

Now is the Time for Flu Vaccination

According to the Centers for Disease Control and Prevention, 185 children in the United States died from the flu during the 2017-2018 season. Approximately 80 percent of these children had not received a flu vaccination. Everyone ages 6 months and older should get a flu vaccination every year. As you prepare to visit loved ones over the holidays, add getting a flu vaccination to your to-do list. It takes about two weeks after getting the flu shot for you to be protected. Many retail clinics, pharmacies, and individual healthcare providers provide flu shots. To find a convenient location to get your family's flu vaccinations, visit vaccinefinder.org. The Health Department also offers the flu vaccine by appointment at its Immunizations Clinic and Community Health Centers throughout Lake County. To make an appointment, call (847) 377-8800. You can also stop the spread of flu by following the 3 Cs: Clean your hands often with soap and warm water or an alcohol-based hand sanitizer. Cover coughs and sneezes using your upper arm or shoulder, not your hands. Contain illness by staying home if you are sick.

World AIDS Day 2018

The Health Department is planning a World AIDS Day event on Saturday, December 1 from noon-2:00 p.m. at the Urban Edge Art Gallery (220 W. Clayton St, Waukegan). All are welcome to attend to learn about the AIDS pandemic and to remember those who have died of the disease. The Health Department serves over one-third of people living with HIV in Lake County by providing linkage to care and services. The Health Department's Need2Know program also offers free HIV testing at 2400 Belvidere Rd., Waukegan. For information please call (847) 377-8450.

Behavioral Health Expansion in Lake County

The Health Department has received \$3.4 million in federal grants to expand behavioral health services, which include mental health services and substance use disorder treatment programs. Through the grants, the Health Department will: Expand behavioral health and case management services to homeless individuals with mental illness and substance use disorders; Launch a 3-year adult Mental Health First Aid initiative to train 90 individuals, who will in turn train 2,250 community members in providing adult Mental Health First Aid; Hire two additional Medication Assisted Treatment (MAT) counselors and improve infrastructure in the Health Department's Waukegan MAT facility; and Hire three additional staff for the A Way Out program.

November is Diabetes Awareness Month

Diabetes is the 6th leading cause of death in Lake County. An estimated 6 percent of Lake County adults have been diagnosed with diabetes and 14 percent have been diagnosed with prediabetes. Know your status by taking a 1-minute diabetes risk test today at www.doihaveprediabetes.org. Type 2 diabetes can often be prevented and controlled. Many free and low-cost diabetes education classes are available in Lake County. Find a class near you by visiting www.diabetesLC.org

52 18-1328

FINANCIAL AND ADMINISTRATIVE COMMITTEE

64 18-0064

Lake County Partners Report.

Groundbreaking Transportation Partnership Addresses Talent Attraction

To address one of the county's top business challenges – attracting and retaining young professional talent living downtown - Lake County Partners spearheaded a public-private partnership with AbbVie, Horizon Pharma, the City of Lake Forest, Metra and others to launch enhanced reverse commute Metra train service on the Milwaukee District North Line. With this new schedule, it will now be easy to live downtown and work in Lake County. Lake County residents will also be able to take advantage of the service to quickly get to Chicago during peak hours. As a part of the partnership, the group will also work on a definitive agreement to share the cost of installing a universal crossover near Lake Forest to create additional opportunities for enhanced service. The pilot schedule will begin in January and run for up to two years. Stay tuned to Lake County Partners for additional service details.

Chicago Tribune Recognizes Many "Top Workplaces" in Lake County

Lake County's businesses continue to stand out as fantastic places to start and grow a career, and this is clearly illustrated in the Chicago Tribune's 2018 Top Workplaces List. Companies and organizations across the county were recognized in all three categories—small, midsize and large employers—and for many, it wasn't the first time on the list. Congratulations to Horizon Pharma, Lundbeck US, Discover, Zebra Technologies, Libertyville School District 70, Impact Networking, Incredible Technologies, Mesirow Financial and Comcast.

College of Lake County & Lake Forest College Celebrate New Facilities

Lake County continues to boast of top-ranking schools, and businesses can take advantage of the talent supported by higher education institutions like the College of Lake County and Lake Forest College. Both schools have made significant investments and celebrated new state-of-the-art facilities in recent months.

The College of Lake County (CLC) celebrated its new LEED-certified Science and Engineering Building—designed specifically for science and career programs, including mechatronics, photonics and science. This \$28.3 million Illinois Capital Development Board project had \$17.5 million from state funds. Days later, CLC also celebrated the grand opening of its new Baxter Innovation Lab, a nonprofit instructional makerspace/fab

lab, funded by Baxter International, that allows for the design and fabrication of prototypes and proofs of concept.

Lake Forest College opened the doors to its new \$43 million 130,000 sq. ft. Lillard Science Center building. Over the past two years, a dramatic addition was built and existing science buildings were renovated to create the state-of-the-art facility that brings together biochemistry and molecular biology, biology, chemistry, environmental studies, neuroscience, physics, and psychology.

Don't Miss Out as Talent & Companies Connect at the Engineering Internship & Job Fair Partners in the Lake County Workforce Ecosystem will again work together to host the 3rd annual Engineering Internship and Job Fair at the College of Lake County on Friday, January 4th. Engineering students from across the country can conveniently attend while home on winter break to pursue career opportunities with Lake County's top engineering firms. In past years, prominent industry leaders including Culligan, MacLean-Fogg, HydraForce, Flex and others attended to meet students and set them up with permanent positions and internships for the following summer. There is still time for both businesses and students to register to attend. To learn more, visit www.lakecountypartners.com

65 **18-1376**

Ordinance recommending the Fiscal Year (FY) 2019 Annual Budget and Appropriation Ordinance for Lake County, Illinois; said budget having been made conveniently available for public inspection for at least 15 days by posting in the Office of the County Clerk and on the County website.
