Change Order Information

Intent:

To provide necessary changes and enhancements to the CRIMS finance package to be in compliant with State laws going into effect July 1, 2019.

Scope of Work:

At its July 2018 meeting, the Lake County Board authorized a contract with Software Development and Services Corporation for maintenance and support of the current case management systems for the 19th Judicial Circuit Court, Circuit Court Clerk, Public Defender and State's Attorney's Office. The contract provides for the maintenance of the various modules for the three justice agencies and hourly rates for time and material to provide needed support for

future enhancements. The Circuit Clerk has identified a need for an enhancement to the CRIMS finance package due to the changes in State law.

Award Recommendation:

As part of the resolution approved by the Board at its July 2018 meeting, the hourly rates for time and material to provide needed support for future enhancements was addressed. The estimated cost of the changes to the finance package for CRIMS is \$288,360 and the hourly rates identified in the proposal are in keeping with the awarded contract.
