County Board meetings are intended to make decisions that formally set County programs in motion, enact ordinances, adopt policy, and authorize the expenditure of county funds.

#### **A. County Board and Committee Standards of Decorum and Conduct**

The Lake County protocols and procedures for meetings have been established to promote that purpose by creating an efficient, effective forum and a positive and professional atmosphere within which the business of the County can be conducted. This shared purpose is acknowledged and affirmed, despite the possible divergent opinions of the individual members of the Board. Civil discourse is only fostered if it is modeled by how County Board members and staff behave toward one another and toward members of the public.

##### **A.1. Chair:**

The Chair has the responsibility and authority to manage the order of the meeting. All members must respect the decisions of the Chair, who will respectfully manage public comment.

A Member may present any matter related to County Board business, and with the majority vote of the Lake County Board and committee, the matter shall be placed on the next agenda of the appropriate standing committee.

### **b. Other Activities as County Representative:**

Board members may not act as or represent the official spokesperson or representative of the County at any meeting, event, or forum unless and except when authorized in advance to do so by the Board or Chair. ~~This rule does not limit a member from participating in informal or unofficial meetings, so long as it is clear that the member is participating individually and not directly on behalf of the County. Members are discouraged from attending any Board or Commission meeting to advocate in favor of or in opposition to an issue, or on behalf of petitioners unless expressly disclosed to the Board or unless the matter before the Board or Commission relates to the member's property or business. This type of activity can serve to preempt, and otherwise undermine, the work of the Board or Commission and its citizen volunteer members. Every statement and activity related to County business should be considered carefully, for all of them may have an impact on the County.~~

### **c. Ex-parte Contacts:**

Board members should avoid ~~commenting or taking a position on land use related issues, and or matters potentially involving litigation that are likely to come before the County Board, situations that could give rise to claims of partiality or would otherwise mitigate the position of the County. Board members are discouraged from engaging in communications outside of a public meeting on matters currently before County Boards and Commissions and should disclose any such communications to the County Administrator or Chair.~~ The Board should be mindful of its Core Values and rights of due process.

### **d. ~~Improper Influence:~~**

~~Board members should refrain from using their positions to improperly influence the deliberations or decisions of Staff, Boards, Commissions, or non-Board subcommittees of the County.~~

**e.d. Commitment of County Resources:**

No Board member should commit the use of County Staff or other County resource without first coordinating with the Administrator. County resources are limited, and the Administrator is best able to determine the proper allocation of staff time and other resources. Additionally, the appropriate standing committee must approve any County Board Member requests for staff assistance requiring more than two hours to complete. Board members will be respectful of staff by allowing reasonable time for staff to research and prepare for discussion on the requested topic. Committee-directed initiatives resulting in a significant impact on staff workload, changes to the business plan of the department, the strategic plan of the County, or an unplanned budgetary impact shall be approved by resolution of the County Board.

**f.e. County Staff:**

Board members shall not direct staff in the conduct of the duties performed by staff. If a Board member wishes to discuss an operational or administrative matter, it should be discussed with a Department Head or the County Administrator.

**D.VI. Expectations of County Staff**

**a. Respect for the County Board:**

Staff should give the proper respect for the functions and membership of the Board, recognizing the fiduciary duties and stewardship responsibilities borne by its members. Staff should be open and forthright with the County Board about pending matters of policy and County administration. Board members rely on the faithful counsel of the Staff.

**b. Informed County Board:**

The office of the Administrator and all other Departments and Elected Offices, as appropriate, should keep the Board informed on a timely basis regarding pending matters of policy and County administration. For each matter on which the Board must act following a hearing before a Board or Commission of the County, the Board will be provided with thorough information of the proceedings of that Board or Commission and any recommendation thereon. The report should include minority

opinions, reports, and recommendations, if any. Good decision-making results from correct and timely information.

**c. Impartiality:**

Information that is provided to a Board member in response to a request regarding pending matters of policy and administration should be made available to all members of the Board so that all have equal access to relevant information.

**d. Responsiveness:**

Staff should be prompt and thorough in following directions of the Board and implementing policy decisions of the Board. Staff should act on such matters irrespective of personal opinions. The Board relies on the staff to faithfully carry out County policy.

*This document is intended to serve as a set of guiding principles and recommended procedures for Board and Committee meetings and legislative functions. Nothing in this document is intended to create a legal entitlement for Staff or enforceable performance standards beyond what already exists in the County's Employee Handbook and individual department work rules. ## **APPENDIX F – PARLIAMENTARY REFERENCES**

Parliamentary Procedure is a set of rules for conduct at meetings that allows everyone to be heard and to make decisions without confusion. Parliamentary Procedure is important because it's a time-tested method of conducting business at meetings and public gatherings. It can be adapted to fit the needs of any organization. Today, Robert's Rules of Order newly revised is the basic handbook of operation for most clubs, organizations and other groups.

The method used by members to express themselves is in the form of moving motions. A motion is a proposal that the entire membership take action or a stand on an issue. Individual members can make motions, second motions, debate motions and vote on motions.:

### **There are four Basic Types of Motions:**

1. **Main Motions:** The purpose of a main motion is to introduce items to the membership for their consideration. They cannot be made when any other motion is on the floor, and yield to privileged, subsidiary, and incidental motions.
2. **Subsidiary Motions:** Their purpose is to change or affect how a main motion is handled and is voted on before a main motion.
3. **Privileged Motions:** Their purpose is to bring up items that are urgent about special or important matters unrelated to pending business.
4. **Incidental Motions:** Their purpose is to provide a means of questioning procedure concerning other motions and must be considered before the other motion.

### **Presenting of Motions:**

1. **To Obtain the floor.**
  - a. Wait until the last speaker has finished and raise your hand and wait to be recognized by the Chair.
  - b. If multiple members wish to speak, the Chair will make a list and call on members individually to address the board.
2. **Make Your Motion**
  - a. Speak in a clear and concise manner.
  - b. Always state a motion affirmatively. Say, "I move that we ..." rather than, "I move that we do not ..."
  - c. Focus on your subject matter and avoid comments of a personal nature.
3. Another member will second the motion or the Chair will call for a second.
4. If there is no second to the motion, it is lost.
5. The Chair states the motion placing the motion before the membership for consideration and action (i.e.: "It has been moved and seconded that we ...")
  - a. The membership then either debates the motion or may move directly to a vote.

- b. Once the motion is presented to the membership by the chairman, it becomes "assembly property" and cannot be changed by the original mover without the consent of the members.
- 6. Expanding on the motion
  - a. The time for to speak in favor of the motion is at this point in time, rather than at the time it is originally presented.
  - b. The mover is allowed to speak first.
  - c. All comments and debate must be directed to the Chair.
  - d. Keep to the time limit for speaking that has been established.
  - e. The mover may speak again only after other speakers are finished, unless called upon by the Chair.
- 7. Putting the Question to the Membership
  - a. The Chair asks, "Is there any more discussion? Or, "Are you ready to vote on the question?"
  - b. If there is no more discussion, a vote is taken.

## **Roll Call Votes**WD6

E.A. Any Member may ask for a roll call vote on any agenda item.

F.B. The Board may, by unanimous consent, group together two or more ordinances and resolutions for the purpose of taking a single vote. During the vote, a Board Member may vote "aye" or "nay" (55 ILC 5/2-1005).

G.C. The Authorization of Previous Roll Call Vote with respect to any pending question, the Board, by unanimous consent, may authorize the Clerk to record the previous roll call vote taken at the same meeting as the roll call vote taken on the pending question when the previous roll call was unanimous. In such event, the Clerk shall record the ayes or nays from the previous roll call as the vote on such pending question with like effect as if such roll call had been taken on such pending question.

In addition, by unanimous consent, the Board may, when authorizing a previous roll call vote (1) authorize a Board Member who was absent when the previous roll call vote was taken to vote on the pending question without requiring a new roll call vote, (2) exclude the vote of a Board Member who is absent when leave for the previous roll call vote is requested on the pending question, and (3) authorize a Board Member who voted "aye" on the previous roll call vote to vote "nay" on the pending question and (4) authorize a Board Member who voted on the previous roll call to abstain on the pending question.

H.D. In the event a Member believes that he or she has a conflict of interest on any matter before the Board requiring a vote, the Member shall (prior to any discussion of the issue) indicate to the board that a conflict exists, state the reason for the conflict and inform the board that he or she will be abstaining from any discussion and vote on the

matter. In matters not involving a conflict of interest, he or she may abstain without stating the reason.

~~11.5.~~ The rules of the County Board may be suspended by motion for a particular purpose by a roll call vote of two-thirds of the Board Members present.

Any vote other than the majority or 3/4 (16) aye vote specified above shall operate as County Board denial of the proposed rezoning. (55 ILCS 5/5-12014).

### **Motions to Reconsider**<sup>[WD7]</sup>

If a motion to reconsider is made, it must be made at the same meeting as the original vote. A motion to reconsider must be made by a Member who voted on the prevailing side.
