COUNTY BOARD, LAKE COUNTY, ILLINOIS

June 11, 2019 A.D., MEETING

Ordinance re-establishing of Lake County Special Service Area (SSA) Number 12 (SSA #12)
and providing for a public hearing and other procedures in connection therewith (Woods of
Ivanhoe).

**AN ORDINANCE ESTABLISHING LAKE COUNTY SPECIAL SERVICE
AREA NUMBER TWELVE AND PROVIDING FOR A PUBLIC HEARING
AND OTHER PROCEDURES IN CONNECTION THEREWITH**

BE IT ORDAINED by the County Board of The County of Lake, Illinois, as follows:

Section 1. Authority.

The County of Lake Special Service Area Number 12 is established pursuant to the provisions of the Special Service Area Tax Law, 35 ILCS 200/27-5 et seq. (SSA Tax Law)

Section 2. Findings.

(A) The question of the establishment of the area hereinafter described as “Special Service Area Number 12” (SSA #12) was considered by the County Board pursuant to “An Ordinance Proposing Lake County Special Service Area Number Twelve and Providing for a Public Hearing and Other Procedures in Connection therewith, and was adopted on January 15th, 2019. The purpose of SSA #12 is to provide a financing mechanism for private road repair, reconstruction, and/or maintenance within the described contiguous territory below. The establishment of SSA #12 was considered at a public hearing held on March 20th, 2019. Said hearing was held pursuant to notice duly published in the Lake County News-Sun, a newspaper of general circulation within the County of Lake, at least 15 days prior to the hearing, and also pursuant to notice by certified mail, return receipt requested, addressed to the person(s) in whose name the general taxes for the last proceeding year were paid on each lot, block, tract, or parcel of land lying within the proposed SSA #12. Said notice was not posted less than 10 days prior to the date set for the public hearing. In the event taxes for the last preceding year were not paid, the notice was sent to the person(s) last listed on the tax rolls prior to that year as the owner(s) of said property. The notice as published and as mailed complied with all of the applicable provisions and requirements of the SSA Tax Law and is attached hereto as Exhibit A. The mailing of the notice as affirmed is attached hereto as Exhibit B.

(B) All interested persons affected by the establishment of SSA #12 were given an

opportunity to be heard at the Hearing or file written objections prior to the Hearing regarding the establishment of SSA #12 and on the question of the imposition of a tax in SSA #12 as a financing mechanism to provide sufficient revenues to pay for the repair, reconstruction, and/or maintenance of the private roadways that serve SSA #12.

(C) Following consideration of the matters relating to the proposed SSA #12 and information presented at the public hearing, the County Board hereby find that: (i) pursuant to Section 27-95 of the SSA Tax Law, the Fremont Township Highway Commissioner has proposed to the County that it establish a special service area for providing the Special Services within the Subject Territory; (ii) a petition meeting the requirements of Section 27-95 of the SSA Tax Law and signed by at least 51 percent of the owners of lots, parcels, and tracts within the proposed SSA #12 has been filed with the County Clerk agreeing that the County establish a special service area for the purpose of levying SSA taxes to pay for repair, reconstruction, and/or maintenance of the private roads that serve SSA #12; (iii) no legal objection to the establishment of SSA #12 has heretofore been filed; and (iv) it is in the best interest of the County of Lake and of the residents, occupants, and property owners within the proposed special service area that SSA #12, as hereinafter described, be established.

(D) The territory within SSA #12 is contiguous as required by the SSA Tax Law.

(E) It is in the best interests of the County of Lake that SSA #12 be created to provide a financing mechanism for maintenance of the private roads that service the territory within SSA #12. Such financing shall be in the form of annual taxes to be levied upon all parcels as designated. Such funds shall be expended by the Fremont Township Highway Commissioner in consultation with and under the supervision of the Lake County Division of Transportation's County Engineer or designee.

(F) The County Board hereby determines that providing a financing mechanism for road maintenance of the private roads that service the territory within SSA #12 during the period that

the SSA #12 annual taxes are levied serves the common interests of the residents and occupants within SSA #12.

(G) The properties within SSA #12 will benefit specially from the private road maintenance services herein authorized. Such services are not intended to transfer the ownership or jurisdiction over the private roads in questions, nor to alter the long-term maintenance responsibilities for such private roads after the authority to levy annual maintenance taxes pursuant to SSA #12 expires. Rather, SSA #12 is intended to provide a more adequate, efficient, and appropriate financing mechanism to furnishing roadway maintenance activities in connection with the private roads serving the territory within SSA #12.

Section 3. County of Lake Special Service Area Number 12 Established.

A special service area to be known and designated as “County of Lake Special Service Area Number 12” is hereby established and shall consist of the contiguous territory legally described in Exhibit D attached hereto and by this reference incorporated herein and made a part thereof. An accurate map of said territory is attached hereto and by this reference incorporated herein and made a part hereof as Exhibit E.

Section 4. Purpose of Special Service Area.

County of Lake Special Service Area Number 12 is established to provide a financing mechanism for private road repair, reconstruction, and/or maintenance for private roads that directly serve the territory within SSA #12. Such services are in addition to services provided generally within the County and Township, and the special service area taxes to be levied shall be in addition to any other taxes permitted by law. SSA #12 will provide a more adequate, efficient, and appropriate financing mechanism to pay for roadway maintenance activities in connection the private roads the serve the territory within SSA #12. Specifically, SSA #12 is established so that an annual special service area tax can be imposed in accordance with the special tax rolls established by this Ordinance and in addition to all other taxes so levied,

provided that such annual tax shall not exceed \$500.00 per parcel as designated in the special tax roll, and provided that such annual tax shall be levied and extended for no more than 25 years to cover such roadway maintenance and related costs in connection with this SSA #12.

Section 5. Special Tax Roll for SSA #12.

The special roadway maintenance services and associated costs referred to in Section Four shall be financed and payable from taxes levied and extended annually upon real property in SSA #12 (“SSA Taxes”), provided that such levies shall continue for no more than 25 years. In lieu of an ad valorem tax to be levied and extended within SSA #12 to pay for the aforesaid special services and associated costs for SSA #12, the SSA Taxes shall be levied and extended pursuant to the special tax roll established by this Ordinance and those annually approved by the County Board. The special tax roll assigns the SSA Taxes for the private roadway maintenance and associated costs in equal amounts among the parcels included within SSA #12. Any further division or consolidation of platted lots within SSA #12 after the date of this Establishing Ordinance shall be reflected on the annual special tax roll levy based on the recorded plats available from the County Recorder.

Section 6. Expenditure of SSA Taxes.

The Fremont Township Highway Commissioner shall have no further obligation beyond available funding to provide the aforementioned services, pursuant to Chapter 35, Act 200, Section 27-95(e) of the Property Tax Code. The Fremont Township Highway Commissioner, in consultation with the Lake County Division of Transportation, shall make or let contracts, employ labor, and purchase materials and machinery necessary for maintaining streets and roadways within SSA #12, and the cost of these obligations shall be reimbursed by the County with SSA Tax revenues, subject to supervision by the Lake County Division of Transportation County Engineer or designee as provided in the Illinois Highway Code.

Section 7. Effective Date.

This Ordinance shall be in full force and effect upon its passage, approval, and publication in pamphlet form in the manner provided by law.

ADOPTED this 11th day of June, 2019.

Approved this 11th day of June, 2019.
