Subject: FW: Thank you for your participation

Wow, very nice to say, it was a pleasure, thank you. Also thank you so much for setting it all up. It was one of the best organized events of that type I have been to.

Please let me know of any follow up requests your organization may have.

Subject: Thank you for your participation

Mike,

I want you to know how much we appreciated your participation in our panel discussion on Wednesday. Your expertise and experience were an enormous asset to the event, and the handouts you brought were very helpful. We are grateful that you were able to take the time to speak to our audience. The feedback we've received from attendees has been enthusiastically positive.

Thanks again!
