Hi Ernesto,

Thank you for helping Josh and me on this report. We are presenting this to our Village Board on Tuesday. I was curious if the QLP portion (SMC) was in its final form for inclusion. I ask as we will be forwarding this to our Manager's office tomorrow. It is our intention to forward this to the EPA Wednesday morning, so I wanted to verify what QLP document to include.

I appreciate your help and the SMC has been excellent in helping the MS4s for over 16 years!

Sincerely, Dave
