

STORMWATER MANAGEMENT COMMISSION

October 24, 2019

MEMORANDUM

To: Public Works, Planning and Transportation Committee
Financial and Administrative Committee

From: Mike Warner, Executive Director
Mike Prusila, Planning Supervisor

RE: Emergency Appropriation - Illinois Environmental Protection Agency (IL EPA) Section 319 Grant

ACTION: APPROVAL OF EMERGENCY APPROPRIATION

- The Stormwater Management Commission (SMC) approved a contract with IL EPA for Grant 3191915 at its October 2019 meeting to provide \$1,269,488 in Section 319 Clean Water Act grant funds.
- An emergency appropriation is needed as these funds for this grant are not included in the current fiscal year budget.
- The grant will provide cost-share funding on a reimbursement basis for seven (7) projects identified in watershed plans. Local project sponsors will provide the required matching funds:
 - East Skokie Drainage District – Skokie River Streambank Stabilization Project
 - Park District of Highland Park – Highland Park Country Club Shoreline Restoration and Wetland Enhancement Project
 - Village of Glenview – Pine Street Streambank Stabilization and Open Space Project
 - Lake County Forest Preserve District – Van Patten Woods Hydrologic Restoration and Enhancement Project
 - Lake County Health Department – Removal of Carp to Reduce Nutrient Enrichment Project
 - Timber Lake Estates Civic Association – Timber Lake South Inlet Stabilization Project Phase 2
 - Flint Creek/Spring Creek Watersheds Partnership – Flint Creek Watershed BMP Monitoring Project
- SMC staff will administer the grant and provide technical and professional services to the local partners, and will be reimbursed for these services by the grant. A budget summary is attached.
