PROJECT DESCRIPTION

The Grantor has been awarded a PDMC-PJ-05-IL-2017-010 grant from the Federal Emergency Management Agency (FEMA) in accordance with Hazard Mitigation Assistance. As authorized by Section 404 of the Stafford Act, 42 U.S.C., the key purpose of funding a hazard mitigation project is to ensure that the opportunity to take critical mitigation measures to reduce the risk of loss of life and property from future disasters is not lost during the reconstruction process following a disaster. These funds are also designed to assist States, territories, federal y-recognized tribes, and local communities to implement a sustained pre-disaster natural hazard mitigation program to reduce overall risk to the population and structures from future hazard events. The purpose of this Agreement is to provide funding through the Pre-Disaster Mitigation Program (PDM) for the Grantee's approved hazard mitigation project. This Agreement shall apply to all PDM assistance provided by the Federal Emergency Management Agency (FEMA) through IEMA to the Grantee. The Grantee agrees to use the funds for the project described herein and will comply with all terms and conditions of this Agreement and applicable federal and state statutes, regulations, guidance and policies.

**PERFORMANCE MEASURES**

The Grantee shall submit quarterly status reports to the State Hazard Mitigation Officer (SHMO) within fifteen days following the end of the quarter (January 15, April 15, July 15, and October 15). Said report will include the status of the project, work completed toward the milestones described in Exhibit B, the anticipated project completion date, and financial information.

**EXHIBIT F**  
**PERFORMANCE STANDARDS**

Performance standards include:

1. Appropriate use of grant funds in accordance with the approved scope of work and budget, and the terms outlined in this Agreement.
2. The timely submittal of required documentation as defined in Exhibit E of this Agreement.
3. Adequate results from grant monitoring conducted by the Grantor.

**EXHIBIT G**  
**SPECIFIC CONDITIONS**

1. The Grantee will provide all necessary financial and managerial resources to meet the terms and conditions of this Agreement. The Grantee agrees to comply with any special conditions contained in the Notice of State Award (NOSA) that have been imposed as a result of the Grantee's programmatic, financial and administrative internal control questionnaires.
2. The Grantee is aware that the grant program requires cost-sharing on the basis of not more than 75 percent Federal and at least 25 percent non-Federal contributions and that the Grantee is required to provide and/or secure the full non-Federal share for mitigation activities.
3. The Grantee may send a written request to the Grantor for a portion of the total contract amount upon the following conditions:
  - a) The Grantee will spend the funds requested within a twenty-day period after receipt of the funds from Grantor. Additional funds may be drawn upon request, based on need and the ability to spend within a twenty-day period;
  - b) The Grantee cannot receive more than 75% of the Federal share of the funds until the plan is completed and submitted to FEMA; and
  - c) The Grantee cannot receive more than 90% of the Federal share of the funds until the plan is approved by FEMA and adopted by the Grantee.
4. If the Grantee fails to expend or is over-advanced grant funds, the Grantor reserves the right to recapture funds in accordance with the applicable Federal or State laws and requirements.
5. The Grantee shall begin the scope of work within 90 days of the effective date of this Agreement and complete all items of work by the end of the Agreement term, unless otherwise agreed to in a written amendment to this Agreement.
6. The Grantee will comply with all applicable ordinances, codes and standards as pertains to this HMA project and agrees to provide maintenance as appropriate.
7. The Grantee will not enter into cost-plus-percentage-of-cost contracts for completion of this HMA project.
8. Upon project completion and after all eligible funds have been drawn down, IEMA will prepare and deliver to the Grantee a final report detailing the satisfactory completion of all required deliverables and substantiating the payment and match documentation.
9. FEMA, IEMA, the Illinois Auditor General, the Illinois Attorney General or any of their duly authorized representatives reserve the right to review, inspect or audit all contracts, records and documents related to the expenditure of the HMA funds. IEMA reserves the right to disallow any expenditures that are deemed ineligible, unreasonable, or excessive. In the event that questioned costs are ultimately deemed disallowed, as determined by the IEMA, the Grantee shall be responsible for repayment of such costs.
10. The Grantee shall have a single audit conducted in accordance with 2 CFR Part 200 when expending

\$750,000 or more in federal funds from any source during a fiscal year and shall submit a copy of the single audit report, if applicable, to IEMA within the required time frames.

11. The Grantee will be responsible for timely action in resolving any audit finding or questioned project costs.
12. The Grantee shall return to IEMA all grant funds that are not expended or that are received from IEMA in error. All funds remaining at the expiration of the period of time the funds are available for expenditure or obligation by the Grantee shall be returned to IEMA within 45 days, if applicable. IEMA may recapture those funds in accordance with state and federal laws and regulations. The Grantee's failure to comply with any one of the terms of this Agreement shall be cause for IEMA to seek recovery of all or part of the grant proceeds.
13. This Agreement may be amended because of changes in state or federal statutes, regulations, or grant award policies; an extension in the grant award term; an increase in the amount of funds granted; or any other provision requiring a modification. Grantor may remove (or reduce) a Specific Condition included in this Exhibit G by providing notice in writing to the Grantee.  
All other modifications must be in writing and signed by both parties.
14. The Grantee agrees to maintain good standing in the National Flood Insurance Program (NFIP).

#### REQUIREMENTS FOR ACQUISITION AND RELOCATION PROJECTS

15. The funds requested for this project shall not duplicate funds or benefits received for the same activities from any other funding source.
16. The Grantee shall obtain a signed letter of agreement from each participating property owner, which must include a certification that: (1) the owner has revealed any other funds received for structural repairs which would represent duplicated disaster-recovery benefits such as insurance proceeds or federal grants or assistance, and that (2) the owner will relocate outside of any floodplain mapped by FEMA.
17. The Grantee shall take possession of all acquired structures and parcels at the time of closing.
18. A copy of the closing documentation, which includes the certified appraised value of the property, all deductions, the net balance to the seller, and legal description of the parcel shall be forwarded to the IEMA upon closing of the property.
19. If the Grantee is participating in the Salvage Program, permanently affixed items and appliances can only be removed from an acquired structure based upon the Property Owner Salvage List, which must be signed by both the local appraiser and the homeowner. These items must be removed prior to closing, and the value of those items must be deducted from the offer price. IEMA strongly discourages the removal of porous items due to health concerns.
20. Prior to demolition or relocation, an acquired structure may not be sold to any party without written consent from IEMA.
21. Each parcel acquired with HMA funds shall be deed restricted to include the requirements in the Model Deed Restriction set forth in Appendix A (attached).

22. The Grantee shall comply with the conditions established in the Record of Environmental Consideration approved by the FEMA Regional Environmental Officer.
