

Strategic Plan Themes

Where We Are In The Process

Anna Yankelev, Strategic Planning Analyst

Strategic Planning in 2020 – Process

2020 Strategic Planning

An Open, Adaptive Plan

Open

- Involve more staff/ stakeholders in strategy formulation
- All employees involved in implementation and evaluation

- Ensures relevant, accessible content
- Promotes employee ownership

Adaptive

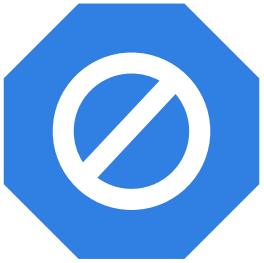

- Intertwines strategy formulation and implementation
- Rapid response capabilities

- Flexibility to address new issues
- Long-term vision, short-term action

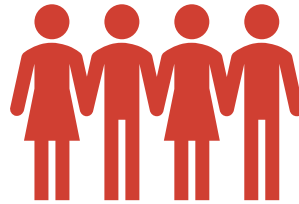

Proposed Themes
