Intent:

It is the intent of Lake County to enter into a contract with a qualified contractor for the removal of spent lead projectiles from the bullet trap system at the Lake County Sheriff's Office Training Range. The initial year of service will consist of the removal of spent lead projectiles, the mining and replacement of ballistic rubber from the bullet trap system. The second and subsequent years of service will consist of the same services listed for the initial year - to be performed twice per year. Annual replacement of granular rubber is estimated at 10,000 pounds.

Department Recommendation:

GB Lead Services is the lowest responsive and responsible bidder for Bid #19174. Lake County Sheriff's Office recommends award to GB Lead Services in the amount of **\$23,400.00**.
