Coronavirus Data Hub](#)

Temporary Ban Enforcement

- Planning, Building and Development (PB&D) set up intake process for complaints on violations of the open burning ban
- Information on the ban was communicated through various media platforms and a handout was created for direct distribution on site
- Residents were directed to report an open burning complaint occurring in the unincorporated area to the Lake County Open Burning Hotline (847-377-2999)

Temporary Ban Enforcement

- PB&D has received nine (9) complaints through the Open Burning Hotline:
- Of those 9 calls:
 - 3 were violations of the temporary open burning ban,
 - 2 were burning construction materials,
 - 1 was a recreational fire, and
 - 2 were unsubstantiated due to lack of information.
- Approximately half of complaints occurred during the initial temporary ban, and half were received after the ban was extended
- All documented violations occurred in the month of June
