**Intent:**

The purpose of this Request for Proposal (RFP) was to establish a contract with a qualified proposer to provide medical services required by the county including pre-employment physicals, drug testing and to provide employee vaccination services for Lake County. The proposer must be able to provide the vaccinations and random drug screenings and pre-employment physicals either at the provider’s facilities or on-site at a Lake County Government location. Typically, the County provides employees on-site TB testing, Fit testing, and Flu shots on several scheduled dates throughout the year. The selected proposer must be able to accommodate all scheduled on-site events with appropriate staffing required to successfully manage the event.
