Good afternoon Janna and Chief Henderson,

The 2020 JAG application has come out. I'm starting the process now and I wanted to pass the word along to you so you can come up with your project/funding ideas. I have attached the grant instructions. I haven't read the instructions yet, but when I do if I find anything unusual I'll pass it along to you. The grant submission deadline is August 19th.

The money breakdown for 2020 is as follows (60/20/20 %):

Waukegan:	\$22,282
Zion:	\$7,427.50
LCSAO:	\$7,427.50

Don't forget we all need to incorporate the 3% set aside for NIBRS, even if you don't use NIBRS. I'll send the MOU to Zion in a separate email to start the MOU process. If you have any questions feel free to contact me.
