Jon Beckman, Finance Director
Waukegan Park District

Thank you, Lake County Board, F&A COVID-19 Committee, and Lake County staff. We appreciate putting Park Districts into the funding equation for COVID-19 related reimbursements. We look forward to working with you as we all are solution-focused and positive change management organizations in our Lake County Communities!

I know my fellow Park and Rec Finance Directors are ready to meet and exceed your expectations based on all the requirements for federal CARES Act funding. We all like exceeding audit requirements for our taxpayers and organizations.

Have a great weekend!

Best-
