RE: Notice of Consideration to Rescind a Previous Action

DATE: September 24, 2020

At its Special Committee meeting on Thursday, September 24th, the F&A Committee voted to recommend approval of Amendment #1 to the CARES Act Funding Plan and authorizing an emergency appropriation and line item transfers. This action is in response to the new guidance received from the U.S. Treasury clarifying the ability to use CARES Act funds for public health and public safety personnel costs and other personnel costs. If passed by the County Board, the recommended Amended Plan would allocate additional funds to the County pursuant to the new guidance.

In conjunction with this action, the F&A Committee also voted to recommend approval of an Ordinance Rescinding a Previous Action of the County Board.

Pursuant to Robert's Rules of Order, Notice is being provided that the County Board will be considering rescinding Ordinance #20-1069 passed on August 11, 2020 changing the last three (3) paid holidays of fiscal year 2020 (Labor Day, Thanksgiving and the day after Thanksgiving) to unpaid holidays. If approved, the proposed Ordinance would reinstate the remaining two holidays (Thanksgiving and the day after Thanksgiving) in fiscal year 2020 as paid holidays and also retroactively reimburse County employees for Labor Day.
