Dear Michael Nerheim:

On behalf of Attorney General Barr, it is my pleasure to inform you that the Office of Justice Programs has approved the application submitted by Lake County State's Attorney's Office for an award under the funding opportunity entitled The Justice and Mental Health Collaboration Program: Support for Mental Health Centers . The approved award amount is \$750,000.

As DOJ transitions to its new grants management system, there will be a delay in accessing your award agreement and associated information.

You will receive an email notification from the Justice Grants System (JustGrants) in the next few days which will provide information on how to access your award agreement, review the terms and conditions, and accept the award.

In the meantime, please visit the [JustGrants website](#) and [training pages](#) to become familiar with the new system.

Congratulations, and we look forward to working with you.

Katherine T. Sullivan

Principal Deputy Assistant Attorney General
