FROM: Brittany Sloan, Engineering Supervisor

RE New Water Supply Well Drilling and Testing for Oak Terrace Water System
Bid No. 20151, PW#2015.003
Recommendation of Award

Attached for your attention is the bid tabulation sheet for the subject project. Great Lakes Water Resources Group, Inc. submitted the low responsive bid.

We have reviewed their bid, qualification form and contacts listed and will recommend approval of award to them on this project at the January 6, 2021 PWP&T Committee meeting for subsequent County Board award on January 12, 2021.

Enclosed herewith is the one (1) bid packages submitted on this project for your permanent record keeping. Purchase Requisition 2100002 was preliminarily approved for this work and was modified to the low bid contractor's bid amount of \$232,675.

Three (3) copies of the Contract Books for this project are attached for your use. Please issue the appropriate contract documents to the contractor for execution of the agreement.

The Project Engineer for this work is Daniel Salgado. Please copy him on all correspondence to Great Lakes Water Resources Group, Inc.

Thank you for your attention in this matter.
