**Description of eNoticesOnline Services at Product Launch:**

- Online Presentment of PDF statement - a replica of what is mailed
- E-mail notification to owner that statement is ready for viewing
- One Code Authentication for multiple parcels when name and address are identical between two or more parcels.
- Secure access – username and password required
- Immediate access to eNotices upon registration – no waiting!
- Seamless Ownership Changes ensures new property owner receives statement while prior owner retains history of previous statements.
- Robust Report Generation – detailing verification, when, how many times, registrant accessed their online statement
- Email generation can be initiated by the County to email blast those who have signed up
- PDF's of exact statements mailed will be uploaded to eNotices same day paper notices are mailed.
- Link to online payments from eNotices to Forte

**Description of eNoticesOnline Pricing Structure:**

1. 12 cents per parcel registered on eNoticesOnline.com (no fee year 1)
2. .005 cents per PDF parcel uploaded to website\*
  - a. Covers processing, upload and storage for all PDF's in a single upload file.
  - b. One year agreement – renewable annually.
3. Printed logo advertisement on #10 outgoing envelope – **no charge!**
4. Printed logo advertisement on #9 reply envelope – **no charge!**
5. Optional 3.5 x 8.5 eNotices insert to advertise sign up – **1.5 cents ea**
