

**INTERGOVERNMENTAL AGREEMENT REGARDING
SALE OF 240 W. GREGGS PARKWAY, PIN # 11-32-200-002**

This intergovernmental agreement ("**Agreement**") is between the County of Lake, Illinois, organized under 55 ILCS 5/1-1001 *et seq.* ("**County**") and the Village of Mundelein, Illinois, organized under 65 ILCS 5/1-1-1 *et seq.* ("**Mundelein**," and together with the County "**Parties**"), both of which may enter such an agreement under the Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.* This Agreement will become effective when all of the parties have signed it, and the date this Agreement is signed by the last party to sign it (as indicated by the date associated with that party's signature) shall be deemed the "Effective Date" of the Agreement.

Recitals

Whereas:

1. Mundelein owns a 5.45-acre parcel of land in Vernon Hills, Illinois, with a common address of 240 W. Gregg's Parkway and a PIN # 11-32-200-002 ("**Parcel**"). Mundelein acquired this parcel for its use as a water reclamation facility, but that use has been superseded in purpose through the passage of time, except for a sewer main that runs through the Parcel.
2. The County seeks to construct a two-million-gallon water reservoir, which will expand the storage capacity of the Village of Vernon Hills water system and provide it with enhanced emergency reserves (the "**Water Reservoir**").
3. In furtherance of the development of the Water Reservoir, this Agreement seeks to facilitate the sale of the Parcel to the County while maintaining, through an easement that the County will grant to Mundelein, Mundelein's right to use a relevant part of the Parcel after the conveyance to the County occurs.

In light of the foregoing, the Parties now agree as follows:

Article 1. **Purchase Price; Payment on Closing.** The County agrees to pay, and Mundelein agrees to accept, at Closing (as hereinafter defined) the amount of \$425,000 for the Parcel (the Payment).

- 1.1 **Closing.** The closing of the transaction contemplated in this Agreement ("Closing") shall take place through a deed and money escrow at the offices of a title company to be named later and shared with Mundelein before Closing ("Title Company"). Unless the Parties otherwise mutually agree in writing, the Closing shall occur 15 days after the satisfaction of all of the requirements set forth in Sections 1.2 through 1.7 of this Agreement, unless otherwise agreed in writing by the Parties (the "**Closing Date**"). At the Closing, the county shall deliver to Mundelein the Payment. Mundelein shall deliver to the County a recordable quitclaim deed for the Parcel in the form attached to this Agreement as Exhibit A, and the county shall grant a utility easement upon the Parcel to Mundelein

pursuant to, and depicted in, an easement agreement in the form attached to this Agreement as Exhibit B. The County will record the deed and easement with the Lake County Recorder's Office. In the event the Closing does not occur within 12 months from the date of this Agreement, this Agreement shall become void without further action by either Party.

- 1.2 **Zoning Contingency.** As a condition precedent to Closing, the Village of Vernon Hills must approve a special use permit and such other zoning relief as the County determines to be necessary in order to allow the County to construct the Water Reservoir (the "**Requested Zoning**"), Mundelein agrees to assist the County with obtaining the requested Zoning from Vernon Hills, to the extent such assistance is necessary (such as, for example, if the application need to be submitted by the Parcel's current owner). The County agrees to take primarily responsibility for completing all of the application requirements and otherwise coordinating the process with Mundelein.
- 1.3 **Access Easement.** The Village of Vernon Hills must approve a permanent easement granting the County and Mundelein the right to access the Parcel along the existing road that leads from Butterfield Road to the Parcel.
- 1.4 **Utility Easement.** Unless waived in writing by the County, the Village of Vernon Hills must approve a utility easement allowing the County to connect the Water Reservoir with the County's existing water main that runs along the western edge of the Parcel.
- 1.5 **Environmental Studies.** Prior to the Closing Date (the "Review Period"), and subject to the County's undertakings in Section 2.2 of this Agreement, Mundelein shall allow the County the right, at the County's sole expense, to (1) examine and evaluate the physical and environmental condition of the Parcel and conduct such tests and inspections as the County reasonably deems appropriate, including, without limitation, soil borings and conducting a Phase I Environmental Assessment, but in no event shall the County have the right to conduct a Phase II Environmental Assessment without the prior written consent of Mundelein, (2) obtain and review a survey of the Parcel (as further set forth below), (3) review all title documents set forth below, and (4) perform such other examinations, inspections, studies, inquiries, and projections relating to the Parcel as the County deems reasonably appropriate (collectively, "**County's Examinations**"). In connection with the County's Examinations, Mundelein shall allow the County and such agents of the County as it, in its reasonable discretion, may designate, the right, license, and privilege, during the Review Period to enter upon the Parcel at such reasonable times as the County desires for the purpose of performing the County's Examinations. If the County determines, in the County's sole and absolute discretion, that any of County's Examinations, or results relating to them, are unsatisfactory, then the County may terminate this Agreement by written notice to Mundelein, delivered at any time prior to the Closing.

- 1.6 **Title Commitment, ALTA Survey, and Title Policy.** The County shall obtain, at its sole cost an ALTA Survey and a title commitment from the Title Company for a current ALTA Owner's Form B Title Policy for the Parcel covering fee simple and marketable title to the Parcel in the amount of the Payment ("**Title Commitment**"), together with copies of all documents (and plats of record) referred to in it. In the event that the ALTA Survey or Title Commitment presents conditions or encumbrances on the Parcel that are unacceptable to the County in its sole discretion, the County shall have the right to terminate this Agreement at any time before the Closing Date. At the Closing, the County shall have the right to receive, at its cost, a current ALTA Form Owner's Title Policy issued by the Title Company in the amount of the Payment (subject only to the Permitted Exceptions) with extended coverage over the general exceptions. The County agrees to provide Mundelein with a copy of the ALTA survey.
- 1.7 **Right to Terminate.** If any of the foregoing items are not completed to the County's satisfaction and in the County's sole and absolute discretion, or there arise other impediments that prevent the County from constructing the Water Reservoir, then the County shall have the right to terminate this Agreement by written notice to Mundelein, at any time before the Closing Date, and Mundelein will retain full ownership of the Parcel.

Article 2. **Additional Access the Parcel for Preliminary Engineering.**

2.1 Pre-Closing Access. During the Review Period, and subject to the County's undertakings in Section 2.2 of this Agreement, Mundelein hereby grants license to the County, its officers, employees, agents, representatives, and contractors (the "**County Licensees**") to access the Parcel to perform any preliminary engineering activities that may be required to design or otherwise plan for the construction of the Water Reservoir.

2.2 The County agrees to indemnify Mundelein for all claims, demands, damages, liabilities, and costs incurred by Mundelein that directly or indirectly result from, or arise in connection with, any negligent act or omission of the County Licensees pertaining to their access to and their acts or omissions on the Parcel.

Article 3. **Notices.**

Any notice under this Agreement may be given by email to the officials listed below, at their then-current email address, but shall not be deemed received unless the recipient acknowledges receipt.

In addition to or in lieu of email, all notices and other communications regarding the terms of this Agreement shall be in writing and shall be deemed received within three business days after being deposited in the U.S. Mail, proper postage prepaid, if properly addressed as follows, respectively:

No waiver by any party of any term or condition of this Agreement shall be deemed or construed as a waiver of any other term or

- 4.9 **Assignments.** A party may assign this Agreement only with the express written consent of the other party.
