PREAMBLE

This Agreement is entered into by and between the Lake County Board and the Sheriff of Lake County (herein referred to as the "EMPLOYER") and the Metropolitan Alliance of Police Chapter 481 (hereinafter referred to as the "UNION" or "Chapter").

The purpose of this Agreement is to provide an orderly collective bargaining relationship between the Employer and the Union representing the employees in the bargaining unit, and to make clear the basic terms upon which such relationship depends. It is the intent of both the Employer and the Union to work together to provide and maintain satisfactory terms and conditions of employment, and to prevent as well as to adjust misunderstandings and grievances relating to employees' wages, hours, and working conditions.

Both parties mutually agree that their objective is for the good and welfare of the County and the Union members alike. Both parties further agree that in the interest of collective bargaining and harmonious relations they will at all times abide by the terms and conditions as hereinafter set forth and agreed upon. The County and the Union regard all personnel as public employees who are to be governed by high ideals of honor and integrity and all public and personal conduct so as to merit the trust and confidence of the general public and fellow employees.

Whereas, both parties have mutually negotiated this Agreement pursuant to the selection of the Union as the sole and exclusive bargaining agent under the procedures approved by the Illinois State Labor Relations Board and in the interest of the welfare of the citizens of Lake County, both sides have agreed that there will be no strikes for the duration of this Agreement.

In consideration of mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representative and/or agents, do mutually covenant and agree as follows:

ARTICLE - 6 GRIEVANCE AND ARBITRATION

Section 1. Preamble

It is mutually desirable and hereby agreed that all grievances shall be handled in accordance with the following steps. For the purposes of this Agreement, a grievance is any dispute or difference of opinion raised by an employee or the Union against the Employer involving the meaning, miss-interpretation, application or violation of the provisions of this Agreement. All of the time limits set forth below are of the essence. No Grievance shall be accepted or appealed unless submitted within the time limits established in section 2. No grievance shall be accepted or appealed if not submitted within the time limits set forth. If the grievance is not timely submitted or appealed it is waived and cannot be reinstated.

Section 2. Grievance Steps

STEP ONE: The employee, with or without a Union representative, or the Union, will set forth his grievance in writing, on the form attached herewith as Appendix A and submit it to the employee's immediate supervisor outside the bargaining unit within ten (10) calendar days after its occurrence, or circumstances giving rise to a grievance, or grievant's knowledge of the events giving rise to the grievance. The written grievance shall set forth the facts of the grievance, the specific provisions of this agreement in dispute and the relief sought. The supervisor shall then attempt to adjust the matter and shall respond within ten (10) calendar days after such discussion.

STEP TWO: If not adjusted in Step One, the written grievance shall be presented by the grievant or Union only to the Division Head within ten (10) calendar days following the receipt of the supervisor's answer in Step One, or the failure of the supervisor to answer within the ten (10) calendar days as set forth in step 1. The Division Head shall attempt to adjust the grievance as soon as possible, and therefore will schedule a meeting with the employee, his immediate supervisor or Shift Commander, and Union Representative within ten (10) calendar days after receipt of the grievance from the grievant or Union. The Division Head shall then render a decision, based on the supplied information during the meeting, within ten (10) calendar days of the meeting.

STEP THREE: If the grievance is not adjusted in Step Two, the grievant or the Union may submit the grievance in writing to the Sheriff within ten (10) calendar days of receipt of the response from the Division Head at Step Two or the failure of the Division Head to answer within ten (10) calendar days as set forth in Step 2. A meeting shall be held at a mutually agreeable time and place with the Sheriff (or his representative) to discuss and try to adjust the grievance. If a grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the parties. If no settlement is reached, the Sheriff, or his designated representative, shall give the grievant and Union the Employer's answer within ten (10) calendar days following their meeting.

STEP FOUR: Arbitration

If the answer at Step Three is unsatisfactory, the grievance may be submitted by the Union to binding

arbitration within fourteen (14) calendar days after receipt of the Sheriff's answer at Step Three or the failure of the Sheriff to answer within fourteen (14) calendar days as set forth in Step 2. The Union must serve ~~by certified U.S. Mail~~ both the Sheriff and the Administrator of the Lake County Department of Human Resources with written notice of intent to appeal a grievance to arbitration within fourteen (14) calendar days after receipt of the Sheriff's answer at Step Three. The Union may serve notice via personal service or by email if it can secure the written or electronic if by email acknowledgment of receipt by both the Sheriff and the Administrator of the Lake County Office of Human Resources. The parties shall attempt to agree on an arbitrator within ten calendar days. The arbitrator shall be notified of his/her selection by a joint letter from the Employer and the Union, requesting that he/she set a time and place for the hearing, subject to the availability of the Employer and Union representative and shall be notified of the issue where mutually agreed by the parties. In the absence of agreement on a neutral arbitrator, the parties shall file a joint request with the Federal Mediation & Conciliation Service ("FMCS") for a panel of seven arbitrators from which the parties shall select a neutral arbitrator. In the event that the Sheriff's representative does not sign and submit said request to FMCS or return it to the Union fully signed within ten (10) calendar days after receipt by the Sheriff's representative, the Union may file a request that is consistent with the provisions of this subsection with the FMCS signed only by it with notice to the Sheriff. The parties agree to request the FMCS to limit the panel to members of the National Academy of Arbitrators who reside within a radius of 100 miles from the City of Chicago. Both the Sheriff and the Union shall each have the right to reject one panel in its entirety, on written notice to the other, within seven (7) calendar days of its receipt and request that a new panel be submitted. The Sheriff and the Union shall have the right alternately to strike names from the panel. One party shall strike a name, the other party shall then strike a name, and this procedure shall continue until one name remains. The person remaining shall be the arbitrator. The parties shall participate in a coin toss to determine which party shall strike the first name from the panel. The arbitrator shall be notified of his/her selection and shall be requested to set a time and place for the hearing, subject to the availability of Union and Sheriff's representatives. Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The Employer or the Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its own witnesses who are not employees of the Employer. The arbitrator shall decide questions of arbitrability. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitral or if such preliminary determination cannot be reasonably made, the arbitrator shall neither amend, modify, nullify, ignore, add to nor subtract from the provisions of this agreement. The parties shall share all the expenses and fees of the arbitrator and the cost of the hearing room, and transcript of the proceedings for the arbitrator, equally. The decision and award of the arbitrator shall be final and binding on the Employer, the Union, and the employee or employees involved. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If either party uses the services of an expert

witness such cost shall be borne by that party.

Section 3. Time Limits

- A. Grievances may be withdrawn in writing at any step of the grievance procedure with prejudice. Grievances not appealed within the designated time limits will be treated as a withdrawn grievance.
- B. The time limits at any step or for any hearing may be extended in writing by mutual agreement of the parties involved at that particular step.
- C. The Employer's failure to respond within the time limits shall not find in favor of the grievant but shall automatically advance the grievance to the next step, except Step Four.

Peace Officers

The Parties agree that the Grievance Procedure provided to Peace Officers in Article 6 of this agreement and the hearing process provided by the Rules of the Lake County Sheriff's Office Merit Commission are mutually exclusive and no relief shall be available under the Grievance Procedure of this Agreement for any action heard before the Lake County Sheriff's Department Merit Commission. The Parties further agree that the Grievance Procedure provided to Peace Officers in Article 8 of this agreement and the hearing process provided by the Lake County Personnel Policies and Procedures Ordinance are mutually exclusive and no relief shall be available under the Grievance Procedure of this Agreement for any action pursued under Section 10 of the Lake County Personnel Policies and Procedures Ordinance the consent decree. Furthermore, the parties agree that the pursuit of a grievance under this Agreement shall act as a specific waiver by the Chapter and the involved employee of the right to challenge the same matter before any of the dispute resolution forums listed above and a form containing such specific waiver shall be executed by the Chapter and the involved employee before arbitration may be invoked under the grievance procedure of this Agreement.

Section 4. Time Off

The grievant(s) and/or Union grievance representative(s) will be permitted reasonable time without loss of pay during their working hours to investigate and process grievances. A grievant, witness or steward who is called back on his/her day off as a result of the Employer scheduling a grievance meeting shall have such time spent considered as time worked. Witnesses whose testimony is pertinent to the union's presentation or argument will be permitted reasonable time without loss of pay to attend grievance meetings and/or respond to the Union's investigation. Any such employee called to attend such hearing while off duty shall be paid at the rate of one and one-half (1.5) times the employee's normal rate of pay for the time spent attending such hearing. No employee or Union representative shall leave his/her work to investigate, file or process grievances without first notifying and making mutual arrangements with his/her supervisor or designee as well as the supervisor of any unit to be visited, and such arrangements shall not be denied unreasonably.

ARTICLE- 7 DISCIPLINE

Section 1. Employee Discipline

The Employer agrees that a violation of its rules and regulations shall be subject to the grievance procedure. The Employer shall not discipline or discharge any post-probationary employee without just cause. The Employer further agrees that disciplinary action shall be in a timely fashion.

Section 2. Corrective Discipline

The Employer agrees with the tenets of progressive and corrective discipline. The Employer's agreement to use progressive and corrective disciplinary action does not prohibit the Employer in any case from imposing discipline, which is commensurate with the severity of the offense. Once the measure of discipline is determined and imposed the Employer shall not increase it for the particular act of misconduct unless new facts or circumstances become known, within a reasonable period of time.

Section 3. Pre-disciplinary Meeting

For suspensions greater than five days and for discharges, prior to notifying the employee of the contemplated discipline to be imposed, the Employer shall notify the Union of the meeting and then shall meet with the employee involved and inform the employee of the reason for the contemplated suspension or discharge. The employee shall be informed of his contract rights to Union representation and shall be entitled to such, if so requested by the employee, and the employee and the Union representative shall be given the opportunity to rebut or clarify the reasons for such discipline, and further provided that a Union representative is available within twenty-four (24) hours of notification regardless of whether such notification is by means of oral, telephonic, or written communications.

If the employee does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings.

Section 4. Right to Union Representation

An employee shall have the right to Union representation at any investigatory interview if the employee requests such representation and if the employee has reasonable grounds to believe that the interview may lead to disciplinary action.

Section 5. Imposition and Review of Discipline, including Demotion and Termination

The parties agree that the Sheriff of Lake County or his designee shall have the authority to impose all forms of disciplinary action, including but not limited to suspension, demotion and termination. After the pre-disciplinary meeting referred to in Section 3 above, the Sheriff will issue a Decision to Discipline, in writing, as to

the proposed discipline to the affected employee and the Union. Said discipline shall be effective immediately on the date of the Decision to Discipline, except if an employee elects to have said discipline imposed by the Lake County Sheriff's Merit Commission, in accordance with the process outlined below.

A. Unpaid Suspensions in Excess of 30 Days in a 12 Month Period, Demotion and Terminations:

At the employee's option, an unpaid suspension in excess of 30 days in a 12 month period, demotion or a termination may be disputed through either the grievance and arbitration provisions of this Agreement, the Lake County Personnel Policies and Procedures Ordinance or the Lake County Sheriff's Merit Commission but not more than one of the above. In order to exercise the grievance option, an employee and the Union must execute an Election Form attached hereto as Appendix C. The employee and Union shall have seven (7) business days from the date of the Decision to Discipline to submit the executed Election Form to the Sheriff or the Sheriff's designee. The Election Form when coupled with the completed grievance form (Appendix A) shall constitute a grievance under the Labor Agreement which shall be deemed to be filed directly at Step 4 of the grievance and arbitration procedure of the Agreement or a complaint under the Lake County Personnel Policies and Procedures Ordinance, whichever is elected. In the event the dispute proceeds to arbitration under the Labor Agreement, the arbitrator shall decide whether the discipline is for just cause. If no Election Form is filed with the Sheriff or his designee within seven (7) business days, the employee and Union shall be deemed to have waived any right to file a grievance under the Labor Agreement or a complaint pursuant to the Personnel Policies and Procedures Ordinance but the employee retains his right to a hearing before the Lake County Sheriff's Merit Commission in accordance with the Counties Code, Sheriff's Merit System 55 ILCS 5/3-8001 et seq., as amended and the Lake County Merit Commission Rules and Regulations, including but not limited to the filing of charges with the Commission. The Sheriff also retains his right to suspend the employee without pay pending the hearing and decision.

B. Other Discipline:

At the employee's option, discipline other than an unpaid suspension in excess of 30 days in a 12 month period, demotion or a termination may be disputed through either the grievance and arbitration provisions of this Agreement or the Lake County Personnel Policies and Procedures Ordinance, but not both. In order to exercise option, an employee and the Union must execute an Election Form attached hereto as Appendix C. The employee and Union shall have seven (7) business days from the date of the Decision to Discipline to submit the executed Election Form to the Sheriff or the Sheriff's designee. The Election Form to be filed in conjunction with the grievance form directly at Step 1 shall constitute a grievance under the Labor Agreement or a complaint under the Lake County Personnel Policies and Procedures Ordinance, whichever is applicable. In the event the dispute proceeds to arbitration under the Labor Agreement, the arbitrator shall decide whether the discipline is for just cause. If no Election Form is filed with the Sheriff or his designee within seven (7) business days, the employee

and Union shall be deemed to have waived any right to file a grievance under the Labor Agreement or a complaint under the Lake County Personnel Policies and Procedures Ordinance

Section 6 Review of Body Worn Camera Recording (New)

An employee shall have the opportunity to review the recording from their body worn camera which the Employer intends to use as a basis for disciplinary action against the employee.

ARTICLE - 8 LABOR-MANAGEMENT CONFERENCES

Section 1. Meetings

The Union and the Employer mutually agree that in the interest of efficient management and harmonious employee relations, it is desirable that meetings be held between Union representatives and responsible administrative representatives of the Employer. Such meetings may be requested at least seven (7) days in advance by either party by placing in writing a request to the other for a "labor-management conference" and expressly providing the agenda for such meeting. Such meetings shall be limited to:

- A. Discussion on the implementation and general administration of this Agreement.
- B. A sharing of general information of interest to the parties. (Including safety issues).
- C. Notifying the Union of changes in non-bargaining conditions of employment contemplated by the Employer, which may affect employees.

The Employer and the Union agree to cooperate with each other in matters of the administration of this Agreement, and to the degree that standards of law enforcement can be effectuated for the maximum protection of the citizens of the State of Illinois. To effectuate the purposes and intent of the parties, both parties agree to meet as necessary.

Section 2. Exceptions

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at "labor-management conferences", nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

Section 3. Absences

When absence from work is required to attend "labor-management conferences", a maximum of three (3) employees who have been designated by the Union shall be excused from work without loss of pay.

Representatives from both parties attending such conferences shall be limited to eight (8). Travel expenses associated with any "labor-management conferences" shall be the responsibility of the employee.

ARTICLE -9 EMPLOYEE SECURITY

Section 1. File Inspection

The Employer's personnel files, disciplinary history, and investigative files relating to any employee covered by this Agreement shall be open and available for inspection by the affected officer during regular business hours, consistent with the Personnel Records Act, Chapter 820, ILCS40/1 et. seq.

In such instances, files normally shall be archived and not considered in disciplinary or promotional processes ~~will be destroyed~~ three years after the date of the final court adjudication, unless a pattern of sustained infractions exists.

Any record of summary punishment may be used for a period of time not to exceed two years and shall thereafter not be used to support or as evidence of adverse employment action.

Section 3. Employee Notification

A copy of any disciplinary action or material related to employee performance, which is placed in the personnel file shall be sent to the employee within seven (7) calendar days of the file addition.

Section 4. Rebuttal Statement

At the employee's request, he/she shall have included his/her rebuttal to any item placed by management in their personnel file subject to the conditions of the Personnel Records Act, Chapter 820, ILCS 40/6.

Section 5. Requirement for Internal Complaint

No employee will be required to submit a written response to the Employer on any complaint against him/her by persons in or outside the Sheriff's Office, unless said person's causes that complaint to be reduced to writing to include any accusations against the employee and the identity of the complaining party. Prior to any report having to be written by an employee, they will be furnished with a copy of said complaint. Nothing in this section shall modify or delete the provisions of Article 6. Nothing in this section shall prevent the management of

Incident to be documented with immediate supervisor.

Section 3. Inoculation and Immunization Shots

The Employer agrees to pay all expenses for inoculation or immunization shots for the employee and for members of an employee's family when such becomes necessary as a result of said employee's exposure to contagious diseases where an employee covered by this contract has been exposed to said disease in the line of duty.

Section 4. Benefits

Employees covered by the terms and conditions of this contract shall also enjoy the benefits under Section VII of the Lake County Personnel Policies and Procedure Ordinance, Employees Benefits and Safety. Where the terms and conditions of this contract specifically conflict with Section VII of the Lake County Personnel Policies and Procedure Ordinance, the Employer agrees to abide by the terms and conditions of this contract.

Section 5. Special Details

All special details performed by Sergeants in uniform or civilian clothing and under the authority or sanctioned by the Sheriff's Office shall be made available to any Sergeant qualified to perform the duties required as determined by the Employer.

Section 6. Cross Utilization

Correspondingly no personnel of the Corrections Division shall perform duties of the Law Enforcement Division. The following tasks shall be considered as Security Unit work where Security Unit employees interface with Peace Officer employees in Court Services. Work requiring the transport to the courtroom of prisoners leaving the Custody of the Corrections Division from the staging areas of the jail, maintaining Prisoner Custody in the Court Room, and the return of Prisoner Custody to the staging area of the jail is Security Unit work.

ARTICLE - 23 SAVINGS CLAUSE

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid or unenforceable by virtue of any judicial action, or by any existing or subsequently enacted Federal or State legislation, or by Executive Order or other competent authority, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid or unenforceable.

ARTICLE - 24 SECONDARY EMPLOYMENT

Section 1. Rights

The Employer reserves the right to restrict secondary employment for good cause.

Section 2. Definition

Secondary employment is defined as any outside business activity or outside employment including self-employment from which the employee receives income or wages from any individual or corporate entity other than the Employer.

Section 3. Standards

- A. An employee may engage in any secondary employment provided that it is not inconsistent with or incompatible with or does not interfere with the proper discharge of the employee's duties.
- B. Approval for secondary employment must be obtained from the Employer. A request to approve secondary employment must include the place of employment, address, phone number, supervisor's name and hours of employment so that the employee may be reached in an emergency. Approval for secondary employment shall be for a period of up to one year. The employee may request that it be renewed after one year.
- C. An employee's request for secondary employment or renewal thereof may be denied for good cause or any of the following reasons:
 - (1) Where the Employer's uniform, or equipment is utilized unless specifically approved by the Sheriff.
 - (2) Where the hours worked cause the employee such fatigue that he/she is unable to properly perform his/her job duties.
 - (3) Where a conflict of interest with his/her job duties is created for the Employer; secondary employment at any establishment involved in the sale or the serving of alcoholic beverages will be considered as creating such a conflict.
 - (4) Where the type of secondary employment is prohibited by law or negatively reflects upon the Employer.
 - (5) Where the employee has not provided the Employer with a signed Indemnification Agreement from the secondary employer (for whom the employee would be performing security or law enforcement work) agreeing to indemnify and hold Lake County and the Office of the Sheriff of Lake County harmless from any and all acts performed by the

employee or injuries occurring to the employee while performing his/her secondary employment duties. The Indemnification Agreement is attached hereto as Appendix D

Section 4. Denial of Request for Secondary Employment

If the employee's request for secondary employment is denied, a copy of the request including the reasons for the denial shall be given to the employee and with a copy placed in his/her personnel file.

ARTICLE - 25 EMPLOYEE TESTING

Section 1. Statement of Policy

It is the policy of the Employer that the public has a reasonable right to expect the employees of the County to be free from the effects of drugs and alcohol. The Employer has the right to expect its employees to report for work fit and able for duty. The purposes of this policy shall be achieved in such manner as not to violate any rights of the employees established in this Agreement.

Section 2. Prohibitions

Employees shall be prohibited from:

- A. being under the influence of alcohol, cannabis, or illegal drugs during the course of their workday;
- B. consuming or possessing alcohol, except as may be necessary in the performance of duty, at any time during or just prior to the beginning of the work day, or anywhere on the Employer's premises or work sites, building or properties or any vehicle owned by the Employer or any vehicle not owned by the Employer but used in service to the Employer;
- C. the unlawful manufacture, possession, use, sale, purchase, dispensation, or delivery of any illegal drug or cannabis at any time and at any place except as may be necessary in the performance of duty;
- D. failing to report to their supervisor any known adverse side effects of medication or prescription drugs, which they are taking;
- E. Intentionally tampering with, substituting for, or causing another person to tamper with, substitute for a urine and/or blood specimen.

Section 3. Drug and Alcohol Testing Permitted

Where the Employer has reasonable suspicion to believe:

- A. that an employee is under the influence of alcohol, cannabis, or illegal drugs during the course of the workday;
- B. has abused prescribed drugs; or

C. has used **cannabis or** illegal drugs.

The Employer shall have the right to require the employee to submit to alcohol or drug testing as set forth in this Agreement. The Employer may also require an employee to randomly submit to alcohol or drug testing where the employee is voluntarily assigned to a departmental drug enforcement group for a period of at least thirty (30) days and where such employee's duties are primarily related to drug enforcement. The employer may require any employee voluntarily accepting an assignment requiring a commercial driver's license to submit to alcohol or drug testing as may be permitted by law. At least two supervisory personnel in the Sheriff's Office must state their reasonable suspicions concerning an affected employee prior to any direction to submit the employee to the testing authorized herein. The foregoing shall not limit the right of the Employer to conduct any tests it may deem appropriate for persons seeking employment with the Sheriff's Office or upon promotion to another position within the Office. There shall be no random or unit wide testing of employees, except random testing of individuals as authorized in this Article.

Section 4. Order to Submit to Testing

At the time an employee is directed to submit to testing as authorized by this Agreement, the Employer shall provide the employee with oral notice briefly outlining the reasonable suspicion leading to the request. Within seventy-two (72) hours of the time an employee is ordered to submit to testing authorized by this Agreement, the Employer shall provide to the employee and the Union with a written notice setting forth the facts and inferences which form the basis of the order to test. Refusal to submit to such test may subject the employee to discipline, but the employee's taking of the test shall not be construed as a waiver of any objection or rights that he or she may possess.

Section 5. Tests to be Conducted

In conducting the testing authorized by this Agreement, the Employer shall:

- A. use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has or is capable of being accredited by the National Institute of Drug Abuse (NIDA);
- B. a laboratory or facility that conforms to all NIDA standards;
- C. establish a chain of custody procedure for both the sample collection and testing that will insure the integrity of the identity of each sample and test result;
- D. collect a sufficient sample of the bodily fluid or material from an employee to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for latter testing if requested by the employee;
- E. collect samples in such a manner as to preserve the individual employee's right to privacy, insure a high

degree of security for the sample and its freedom from adulteration;

- F. confirm any sample that tests positive in the initial screening for drugs by retesting the second portion of the same sample by gas chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;
- G. provide the tested employee with the opportunity to have the additional sample tested by a clinical laboratory or hospital facility of the employee's own choosing, at the employee's own expense; provided the employee notifies the Employer within seventy-two (72) hours of receiving the results of the tests;
- H. require that the laboratory or hospital facility report to the Employer that a blood or urine sample is positive only if both the initial screening and the confirmation tests are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Employer inconsistent with the understandings expressed herein (e.g. billings for testing that reveal the nature or number of the tests administered), the Employer will not use such information in any manner or forum adverse to the employee's interests;
- I. require that with regard to alcohol testing, for the purpose of determining whether the employee is under the influence of alcohol, test results showing an alcohol concentration of .04 or more based upon the grams of alcohol per 100 milliliters of blood be considered positive (Note: the foregoing standard shall not preclude the Employer from attempting to show that test results between .01 and .04 demonstrate that the employee was under the influence, but the Employer shall bear the burden of proof in such cases);
- J. provide the employee tested with a copy of all information and reports received by the Employer in connection with the testing and the results;
- K. insure that no employee is the subject of any adverse employment action except emergency temporary assignment or relief of duty during the pendency of any testing procedure. Any such emergency reassignment or relief from duty shall be immediately discontinued in the event of a negative test result.
- L. Blood tests shall only be administered with a warrant, unless the officer otherwise consents. This does not limit the Employer's right to obtain test results via other available legal process.

Formatted: Font: (Default) Times New Roman

Section 6. Right to Contest

The Union and/or the employee, with or without the Union, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the notice to submit to the tests, the right to test, the administration of the tests, significance and accuracy of the tests, the results or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the Grievance Procedure. It is

agreed that the parties in no way intend or have in any manner restricted, diminished or otherwise impair any legal rights that employees may have with regard to such testing. Employees retain such rights as may exist and may pursue the same in their own discretion, with or without the assistance of the Union.

Section 7. Voluntary Requests for Assistance and Discipline

The Employer shall take no adverse employment action against an employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, other than the Employer may require reassignment of the employee with pay if he is then unfit for duty in his current assignment. The Employer shall make available through its Employee Assistance Program (EAP) a means by which the employee may obtain short-term counseling and/or referrals to treatment. All such requests for EAP assistance and/or referral to treatment shall remain confidential and any information received by the Employer concerning counseling, referral, and/or treatment shall not be used in any manner adverse to the employee's interest, except as described in this Agreement.

The foregoing is contingent upon:

- A. The employee agreeing to the appropriate treatment as determined by the physician(s) involved; and
- B. the employee discontinues his use of illegal drugs or abuse of alcohol; and
- C. the employee completes the course of treatment prescribed, including an "after-care" group for a period up to twelve months; and
- D. the employee agrees to submit to random testing during hours of work during the period of "after-care".

Employees who do not agree to or who do not act in accordance with the foregoing or test positive a second or subsequent time for the presence of illegal drugs or alcohol, during hours of work shall be subject to discipline, up to and including discharge. The foregoing voluntary requests for assistance shall not be construed as insulating an employee from discipline for violations of other Employer policies or create an obligation on the part of the Employer to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol or drugs prevents such individual from performing his duties or whose continuance on active status would constitute a direct threat to the property or safety of others. Similarly, a request for assistance shall not serve to trigger an investigation into such conduct. Such employees shall use accumulated paid leave or take unpaid leave of absence, pending treatment.

Section 1. Prevailing Rights

The parties acknowledge that during the negotiations resulting in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. ~~Therefore, the County and the Union for the duration of this Agreement, each voluntarily and non-qualified, waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both parties at the time they negotiated or signed this Agreement.~~ This agreement may only be amended during its term by the parties' mutual agreement in writing.

ELECTION, WAIVER AND RELEASE FOR DISCIPLINARY PROCESS FOR UNPAID SUSPENSIONS IN EXCESS OF 30 DAYS AND TERMINATIONS

I, _____, a sworn Law Enforcement Sergeant with the Lake County Sheriff's Office and a member of the Metropolitan alliance of Police Chapter 481 being proposed for discipline by the Lake County Sheriff's Office, have been informed of my option to dispute discipline in accordance with the Labor Agreement between the Lake County Sheriff's Office and the Chapter 481

I understand that, in accordance with Section 6 of the Discipline article, I and the Union have seven (7) business days to submit a copy of this Form notifying the Sheriff in writing of the intent to arbitrate the Decision to Discipline to the Sheriff's designee(s). This Form when filed with the completed grievance form (Appendix A) constitutes a grievance which shall be deemed filed at Step 4, the arbitration step of the grievance procedure. When a grievance is elected, the arbitrator will determine whether the discipline was imposed for just cause. If I and Union fail to elect the grievance and arbitration provisions of this Agreement or a complaint pursuant to the Lake County Policies and Procedures Ordinance, I retain my rights to a hearing for unpaid suspensions in excess of 30 days in a 12 month period, demotions and terminations before the Lake County Sheriff's Merit Commission, in accordance with the Counties Code, Sheriff's Merit System, 55 ILCS 5/3-8014 *et seq.*, as amended.

(_____) (*initial*) I understand that I may elect to pursue a grievance over such unpaid suspension in excess of 30 days in a 12 month period, demotion or a termination (Option A), or I may choose to dispute the discipline (unpaid suspension in excess of 30 days, demotion or termination) before the Lake County Sheriff's Merit Commission (Option B), or I may file a complaint in accordance with the Lake County Personnel Policies and Procedures Ordinance (Option C), but not more than one of the options. I understand that an election of one of these procedures is a waiver of my rights and remedies to the other to the extent described within Section 3 of the grievance and arbitration procedure and Section 6 of the Discipline article.

I have had an opportunity to discuss these options with a Union representative and choose to dispute the proposed discipline before the following forum:

A. Grievance Arbitration (_____)

By selecting the grievance and arbitration process alternative, I acknowledge my understanding that the Sheriff has the right to unilaterally impose the proposed discipline immediately, to be effective on the date of the Decision to Discipline, subject to possible later modification or reversal by an arbitrator should the Union choose to pursue a grievance through the grievance and arbitration provisions of the Agreement. An arbitrator will determine whether the discipline was imposed for just cause. By electing to file a grievance over my discipline, I hereby release Lake County/Sheriff, the Lake County Sheriff's Merit Commission and the Chapter, as well as their officers, directors, agents, employees, attorneys, and other representatives from any and all liability which flows as a consequence of my election.

I hereby elect the grievance arbitration procedure and waive my rights to a hearing before the Lake County Sheriff's Merit Commission or to file a complaint pursuant to the Lake County Personnel Policies and Procedures Ordinance as described within Section 3 of the grievance procedure and Section 6 of the Discipline article. This document when filed with the completed grievance form (Appendix A) will be considered my grievance.

I agree that such hearing shall be a waiver of the grievance and arbitration procedures of the Labor Agreement between the Lake County/Sheriff and the Chapter and the complaint procedure pursuant to the Lake County Personnel Policies and Procedures Ordinance.

By electing to have a hearing before the Lake County Sheriff's Merit Commission over my suspension in excess of 30 days in a 12 month period, demotion or termination, I hereby release Lake County/Sheriff, the Lake County Sheriff's Merit Commission and the Chapter, as well as their officers, directors, agents, employees, attorneys, and other representatives from any and all liability which flows as a consequence of my election. I understand that this hearing will be subject to the Rules and Regulations of the Lake County Sheriff's Merit Commission.

I agree that such hearing shall be a waiver of the grievance/ arbitration procedures of the Labor Agreement between Lake County/Sheriff and the Metropolitan Alliance of Police Chapter 481, and the complaint procedure under the Lake County Policies and Procedures Ordinance. I hereby acknowledge that charges will be filed with the Lake County Sheriff's Merit Commission requesting my discipline (unpaid suspension in excess of 30 days in a 12 month period, demotion or termination).
