Easement Agreement for Ingress and Egress to PIN # 11-32-200-002

THIS EASEMENT AGREEMENT (“**Agreement**”) is between the Village of Vernon Hills (“**Grantor**”) and the County of Lake (the “**County**”) and Village of Mundelein (“**Mundelein**”) (together, the County and Mundelein are hereinafter referred to as “**Grantees**”), all of which are Illinois entities formed under either the Illinois Counties Code (55 ILCS 5/1-1001 *et seq.*) or the Illinois Municipal Code (65 ILCS 5/1-1-1 *et seq.*), and each of whom have the authority to act under authority of the Illinois Constitution (Art. 7, § 10) and the Illinois Intergovernmental Cooperation Act (5 ILCS 220/1 *et seq.*).

RECITALS

Whereas:

1. The County, acting through its Department of Public Works, has entered into an *Intergovernmental Agreement Regarding Sale of 240 W. Greggs Parkway, Pin # 11-32-200-002* (the “**IGA**”) with Mundelein for the purpose of having the County acquire the real property commonly known as 240 W. Greggs Parkway, Pin # 11-32-200-002 (the “**Parcel**”), which is legally described in **Exhibit A** attached to this Agreement. The County intends to use the Parcel for the construction, use, and maintenance of a water reservoir facility (including all appurtenant equipment and devices) to be owned by the County (collectively, the “**Reservoir**”).
2. The Reservoir is intended to expand the storage capacity of the portion of the County water system serving the properties within the corporate limits of the Grantor and will provide Grantor with enhanced emergency water reserves.
3. Access to the Parcel has historically been possible through an access road (the “**Access Road**”) located on premises that runs mostly east-west and connects to West Greggs Parkway (the “**Easement Premises**”), as depicted on **Exhibit B-1** attached hereto, and is legally described on **Exhibit B-2** attached hereto.

4. The Easement Premises are part of PIN 11-29-402-048, which is tax-exempt property owned by Grantor (the “**Grantor Parcel**”). The Easement Premises are subject to a certain easement dated June 1, 1961, and recorded as Document 1111081 in Book 1862, Page 196, in the Office of the Lake County Recorder, which Prior Easement inures to the benefit of Mundelein, and an Intergovernmental Agreement between the Village of Mundelein and the Village of Vernon Hills, dated July 21, 1998 (the “**Prior Easement Agreements**”).
5. Subject to the terms of this Agreement, Grantor desires to grant to the Grantees, and Grantees desire to accept, an easement upon the Easement Premises for: (a) ingress and egress to the Parcel and to existing sewer facilities of Mundelein (the “**Sewer Facilities**”) that lie within or adjoining the Easement Premises; and (b) the maintenance, improvement, repair, and replacement of the Access Road upon the Easement Premises.

In consideration of the foregoing and the covenants and promises set forth below, the parties now agree as follows:

1. **Incorporation of Recitals.** The recitals are incorporated into the body of this Agreement as if fully set forth in this first paragraph.

2. **Easement Grant.** Grantor grants and conveys to Grantees a perpetual, non-exclusive easement over and across the Easement Premises, as legally described in Exhibit B-2, for the purpose of ingress and egress to the Parcel. The access rights herein granted shall encompass those necessary for the Grantees, without cost or expense to Grantor, to:

- (a) construct, operate, and maintain (including repairing, replacing, or removing) the Reservoir;
- (b) construct, operate, and maintain (including repairing, replacing, or removing) the Sewer Facilities; and
- (c) construct, alter, improve, and maintain (including repairing, replacing, or removing) the Access Road,

including all uses reasonably necessary to carry out the continued operation of the Reservoir and the Sewer Facilities, as well as the use of the Access Road.

3. **Rights Reserved.** Grantor shall have and retains all rights to use and occupy the Easement Premises and access to Grantor Parcel, provided that Grantor’s use and occupation of the Easement Premises does not interfere with Grantees’ use of the Easement Premises for the purposes described in this Agreement. Grantor and Mundelein shall maintain the currently existing rights to access the culvert crossing located at the Seavey Ditch, as accessed from the current gravel road adjacent to the Access Road.

4. **Successors and Assigns.** This Agreement shall run with the land and will be binding on and will inure to the benefit of the parties, their heirs, successors, and assigns; provided, however, that if the Grantees (or their successors) terminate the use of their Reservoir

and Sewer Facilities, the easement shall be rescinded upon the removal of the Reservoir and Sewer Facilities from the Parcel.

5. **Modification.** The rights and responsibilities established in this Agreement are perpetual and may be modified only through a written document signed by the Grantor and Grantees.

6. **Other Rights Held By Mundelein.** This Agreement is intended to supplement and not replace any other rights that Mundelein has with regard to the Access Road, including under the Prior Easement Agreements. All such rights in the Prior Easement Agreements remain unaffected by this Agreement.

7. **Hold Harmless.** Grantees agree to hold the Grantor harmless from any loss, cost or damage that may arise in connection with this Easement or the use of the Easement Premises by the Grantees, its agents, employees or any other person using the Easement Premises on the Grantees’ behalf. Grantees shall maintain, at their expense, public liability and property damage insurance policies covering their use of the Easement Premises.

8. **Recordation.** After execution, the County shall record this Agreement and provide a copy of the recorded Agreement to each of the Grantees.

9. **Effective Date.** This Agreement will become effective when signed by the Grantor and Grantees.

IN WITNESS WHEREOF, the parties have executed this Agreement through a duly authorized officer.
