

Lake County Illinois

Meeting Location:
18 N. County Street (10th FL)
Waukegan, IL 60085

Meeting Minutes - Draft

Tuesday, July 13, 2021

9:00 AM

Register for remote / virtual attendance at <https://bit.ly/3AEhNDm>

Lake County Board

Pursuant to Section 7(e) of the Illinois Open Meetings Act, if there is a current Gubernatorial Disaster Proclamation and a Written Determination by the Lake County Board Chair, this meeting will be held by audio and video conference.

PUBLIC ATTENDANCE: There are two options for the public to attend the meeting: (1) in-person attendance on the 10th Floor of the County Administrative Tower, 18 N. County Street, Waukegan, Illinois, or (2) remote / virtual attendance through registration at the link on the front page of this agenda.

RECORDING: Meetings, including Public Comment, will be recorded.

PUBLIC COMMENT: The public will be afforded time to comment on matters related to the business of the County Board. A total of 30 minutes will be permitted for Public Comment and no more than three minutes per Comment. In general, Public Comment on items not on the agenda will be presented near the beginning of the meeting. Public Comment on agenda items may be presented during consideration of that item.

Individuals attending in-person or remotely may present their Public Comment during the meeting. Individuals not in attendance may provide written Public Comment that must be received by 3:00 p.m. the day prior to the meeting (emailed to PublicComment@Lakecountyil.gov or delivered to the County Board Office 18 N. County Street, Waukegan, Illinois (10th floor)). Public Comment will proceed in the following order: (1) Public Comment by individuals in attendance on the 10th Floor, (2) Public Comment by individuals who registered via the link on the front page of the agenda and are attending remotely , and then (3) written comments.

Individuals providing Public Comment will provide the following information:

- * Meeting: Lake County Board (Subject line for written Public Comment)
- * Name (REQUIRED)
- * Topic or Agenda Item # (REQUIRED)
- * Street Address, City, State (Optional)
- * Phone Number (Optional)
- * Organization/Agency/etc. Represented (If representing yourself, put "Self")

PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)

CHAIR'S REMARKS

It's good to see everybody here today.

We expect this to be our last virtual meeting. I look forward to seeing everyone in person next month and at committee meetings later this month.

SB825

Senate Bill 825 was signed by Governor Pritzker. I was honored to receive a phone call from the governor who understood how much all the counties needed this to be signed sooner rather than later.

SB825 gave all counties additional time to work on reapportionment. Thank you to the Lake County delegation who all voted in favor of the extended time, this allows us to use 2020 census data.

Per County Code, counties must use the most recent census data. Without additional time, we would have to use 2019 data, which would be unfortunate because so many people worked so hard. A lot of time, money and effort was spent making sure many people were counted.

The new date for counties to complete reapportionment is Dec 31, 2021.

Meetings will start in August. A Doodle Pole will go out to make sure Board Members can attend.

Dissolution/Consolidation

I had meetings with Board members on different commissions regarding dissolution and/or consolidation. Kevin Hunter has been involved with the Lakes Sanitary District; it will be great to have his expertise. We are finalizing details around the Lake Bluff Mosquito Abatement District Board and we have had a number of conversations with necessary government agencies for the Del Mar Sanitary District.

Independence Center Wellness Living Room

Aug 19, 2021 is grand opening for the expansion of the Independence Center's Living Room/Wellness Center. The Independence Center has been operating a Drop-In Center, for those experiencing mental health crisis.

Thanks Donna Jo Maki, State's Attorney Eric Rinehart and Sheriff Idleburg for their work on this important initiative. This will be a life saving measure for people of Lake County.

Good luck to Blanca Vela-Schneider in new position at CMAP, we will miss you.

UNFINISHED BUSINESS

5 21-0812

Resolution authorizing a contract with Mesirow Insurance Services, Inc., an

Alliant-owned Company, Chicago, Illinois, for insurance broker services for a two year period, plus renewals, in the annual amount of \$73,900.

HEALTH AND COMMUNITY SERVICES COMMITTEE**44 21-0123**

Board of Health Report.

Coronavirus (COVID-19) Updates:

According to the Centers for Disease Control and Prevention (CDC), the United States continues to lead the world in the number of vaccine doses given out. As of July 6, 182.7 million people, or 55 percent of the U.S. population, have received at least one dose of the COVID-19 vaccine. Rates of new cases and hospitalizations in the U.S. have been dropping since they peaked in January.

Lake County has had over 62,000 confirmed COVID-19 cases and over 1,000 deaths throughout the pandemic. Lake County's recovery rate is 98.3%.

In Region 9, Lake and McHenry counties, the testing positivity rate has declined through May and early June to 1.2%. ICU bed availability remains stable at around 30%.

The CDC recently announced that the Delta Variant (B.1.617.2) is a variant of interest and will likely become the most dominant variant in the next few months. The Delta variant has shown to be more contagious and spread more quickly than previous COVID-19 variants.

To stop the spread of COVID-19 and protect yourself and others against variants, all should get vaccinated as soon as they are able. For information on the number of variant cases in Illinois, visit www.dph.illinois.gov/covid19/variants

For more information on Lake County's response to COVID-19, please visit the Lake County Coronavirus website, www.lakecountyil.gov/coronavirus, and sign up for email updates from the Health Department.

COVID-19 Vaccination Updates:

Safe and effective COVID-19 vaccines are an important tool that will help us put an end to the pandemic. Lake County's goal is to fully vaccinate 80% of our population to achieve

herd immunity from COVID-19. This amounts to 560,000 people receiving the vaccine. So far, over 720,000 doses of the COVID-19 vaccine have been administered to Lake County residents. Over 50% of Lake County residents are fully vaccinated, including over 79% of seniors.

The Water Street Regional Vaccination Site at 102 S. Water Street in Waukegan will be transitioning to a walk-up only site offering vaccinations one day a week, Sunday. July 16 will be the last day for vaccination clinics at the Belvidere Medical Building and North Shore Health Center. Explore your vaccination options at www.lakecountyil.gov/vaccine. Many local pharmacies, retail locations, and healthcare providers are also providing the vaccine. To find a provider near you, visit www.vaccines.gov/search/.

All Lake County residents ages 12 and older are urged to get vaccinated as soon as possible. To schedule a vaccination appointment at a Lake County vaccination site, visit AllVax.lakecohealth.org or call (847) 377-8130.

EtO Update

Lake County and its elected representatives remain engaged with the U.S. Environmental Protection Agency (EPA) and Agency for Toxic Substances and Disease Registry (ATSDR), as well as with the Illinois Department of Public Health (IDPH) in assuring that reports explaining the potential risks associated with EtO in Lake County are completed. On June 3, 2021 a letter co-signed by U.S. Representatives Brad Schneider, Lauren Underwood and Sean Casten, as well as U.S. Senators Richard Durbin and Tammy Duckworth, was sent to the Director of the ATSDR to request that the health risk assessment be completed as soon as possible.

On June 15, 2021 Health Department leadership met with representatives from IDPH, who indicated that the cancer incidence rate report was near completion, and that IDPH would present the results to the residents of Lake County when it is finished.

Additional details are available to the public on the Health Department's website, www.lakecountyil.gov/eto.

Rabies Prevention

The Health Department has been assisting the Illinois Department of Public Health (IDPH) as it investigates a group of 33 dogs that were imported from Azerbaijan through O'Hare Airport.

The investigation began after one of the dogs was transferred to Pennsylvania where it began exhibiting behaviors consistent with rabies and was euthanized. It was later confirmed that this dog tested positive for rabies.

Four dogs from the group are known to have gone through Lake County, though two were immediately sent to other States. The two remaining dogs in Lake County have received a veterinary examination and are required to be quarantined by IDPH for 45 days. We are continuing to assist the IDPH in their investigation.

Dog rabies has effectively been eliminated in the United States since 2007. Beginning July 14, 2021, there is a temporary suspension which prohibits the entry of dogs into the United States from 113 high-risk countries.

Low cost rabies and distemper vaccinations are available to Lake County residents' pets at the Animal Care and Control facility in Libertyville. Pet vaccinations are offered during the week and by appointment only. For more information or to schedule an appointment, call (847) 377-4700.

Mosquitoes Test Positive for West Nile Virus

A mosquito "pool" (batch of mosquitoes) sampled on June 16, 2021 in Lake Bluff tested positive for West Nile virus.

In 2020, 93 pools of mosquitoes tested positive for West Nile virus. Since 2002, there have been 73 confirmed human cases of West Nile virus in Lake County, as well as four confirmed deaths.

Most people infected with West Nile virus have no symptoms of illness. However, some may become ill usually 3 to 15 days after the bite of an infected mosquito. Common symptoms include fever, nausea, headache, and muscle ache.

In some individuals, severe illness including meningitis or encephalitis, or even death, can occur. People older than 50 and individuals with weakened immune systems are at higher risk.

Practice the "4 Ds of Defense" to protect yourself and your family from mosquitoes.

Drain standing water; Defend using an EPA-approved insect repellent; limit time outdoors during Dawn and Dusk, which are prime hours of mosquito activity; and Dress wearing clothes and shoes that cover your skin. Find more prevention tips and information on West Nile virus at www.FightTheBiteNow.com.
