- **Summary: Various time, place, manner restrictions**
- **Removes Designated Area section from a-d and replaces with new restrictions**

(2) Notwithstanding the prohibition of this subsection (I), open burning of specified landscape waste shall be allowed in the **designated** unincorporated area when all of the following restrictions are met:

~~(a) The burning is conducted...~~

(a) The open burning occurs from October 1 to April 30;

(b) The open burning occurs between sunrise and sunset;

(c) The open burning occurs when wind speeds do not exceed 10 miles per hour (MPH);

(d) The burning occurs on a day during which Lake County is not subject to an advisory from the National Weather Service regarding critical fire weather conditions nor an air quality advisory from the Environmental Protection Agency wherein air quality in Lake County is designated as unhealthy for sensitive groups or the general public;

Restrictions (cont.)

(Amendment #01 – Section I.2)

- **Summary:
Additional time,
place, and manner
restrictions (cont.)**

(2) Notwithstanding... (cont.)

(e) The burning occurs on the premises where the landscape waste was generated;

(f) The burning is supervised until the fire is extinguished. A fire extinguisher or garden hose or water source shall be available at the burning site;

(g) The burning does not include grass clippings, leaves, weeds and other non-woody materials.

Designated Unincorporated Area

(Amendment #01 – Section I.2)

- **Summary: Expands new restrictions to “Designated Unincorporated Area”**
- **Retains existing school-based standards for open burning**

(h) The burning, if located within the Designated Unincorporated Area, meets the following additional conditions:

(i) The burning is conducted between 5:00 p.m. and 8:00 p.m. or sunset, whichever is earlier, Monday through Friday, and between 12:00 p.m. and 8:00 p.m. or sunset, whichever is earlier, on Saturdays, Sundays, and legal holidays;

(ii) The burning is conducted no closer than 50 feet from a school property line, 50 feet from the centerline of the road, 25 feet from a building, and 25 feet from the side property line.

Prescribed Burn Definition

(Amendment #02)

- **Summary: Defines prescribed habitat and ecological burns**

PREScribed HABITAT AND ECOLOGICAL LANDSCAPE BURNS. Burns carried out by or on behalf of local governments, homeowner associations, large landowners or other entities responsible for the care and oversight of sensitive ecological areas, conducted under the management of professionals trained and/or certified in accordance with the Illinois Prescribed Burn Act (525 ILCS 37) and other state requirements, and organized and executed in accordance with an IEPA approved Open Burn Permit, associated Prescribed Burn Plan, and/or any other applicable Illinois State licensing or permitting requirements.

Note: Amendments #3 and #4 reflect housekeeping/formatting changes.

Junk and Debris Definition

(Amendment #03)

- **Summary:** Modify ordinance to redefine junk and debris to exclude properly stored landscape waste.

JUNK AND DEBRIS. Includes but is not limited to garbage, tree branches, grass clippings, yard trimmings, leaves, paper, cardboard, cartons, boxes, barrels, wood, lumber, concrete, appliances, furniture, glass, bottles, crockery, tin cans, vehicle parts, boats, furniture, and any other manufactured or constructed object which has outlived its usefulness in its original form (notwithstanding the fact that the object may have scrap value or could be reconditioned with substantial repair) where such object, due to its present condition and/or visibility, may reasonably be construed to be unsightly, dangerous, or creating a condition that is detrimental or potentially detrimental to the health and/or safety of the inhabitants of Lake County, Illinois. As used herein, the phrase ***JUNK AND DEBRIS*** does not include inoperable vehicles- or landscape waste stored in accordance with Section 94.05B.

Specified Landscape Waste Definition - (Amendment #04)

- **Summary:** Modify ordinance to redefine specified landscape waste to include grass and weeds.
- SPECIFIED LANDSCAPE WASTE.*** All accumulations of shrubbery cuttings, leaves, grass, or non-woody and ~~or~~ other materials accumulated as a result of care of real property.

Junk and Debris: Waste Storage

(Amendment #05)

(B) *Junk and debris.* It is a public nuisance to keep or store junk and debris on public or private property, except in a state-permitted landfill or on premises properly zoned for, and engaged in the business of, a junk yard. Excluded from this provision are the following:

(1) Landscape waste: Storage of woody materials to be burned as allowed during the permitted open burning season in a designated enclosure or area shall not be considered junk and debris when all of the following restrictions are met.

(a) No landscape waste pile (including woody and non-woody materials) shall exceed four feet in height and no single landscape waste pile can be in excess of 100 square feet in area. More than one pile shall be permitted if necessary to accommodate storage.

(b) Any landscape waste pile shall be set back a minimum of 25 feet from any existing structure on any adjoining parcel, not including storage structures such as garages or sheds.
