**Intent:**

Provide site civil, process, structural, electrical, mechanical and I&C upgrades necessary to provide a new polymer system for current and future dewatering equipment as well as installing a new buried alum line to provide a new alum dosing point to the secondary effluent upstream of the tertiary filters. Additionally, implement the gas monitoring and odor control improvements in the Dryer Building.

**Department Recommendation:**

Lake County Purchasing received and opened 4 bids on Thursday October 14, 2021 for the Des Plaines River-WRF Dewatering Phase 1 Improvements. Upon review of the submitted bids Lake County Purchasing is recommending award to the lowest responsive and responsible bidder Joseph J. Henderson & Son, Inc. in the amount of \$1.727.000. Lake County Public Works agrees with my recommendation.
