Dear Ms. Philipp:

I am writing with information concerning your Victims of Crime Act (VOCA) grant. At the upcoming October 2021 Budget Committee meeting, staff will recommend an increase in your current designation for your VOCA funded program agreement #219032. This increase, if approved, will be made from the FFY19 VOCA award of \$55,924 with a match of \$0. This will allow your currently funded VOCA program to continue until May 31, 2022, when the *Final* 18 months will be awarded.

Your new period of performance will be December 1, 2020 – May 31, 2022, and your increased designation will be \$193,772, with no required match of \$0. This designation will not be official until the approval of the Budget Committee at their October 2021, meeting and ICJIA Board approval. I have attached the documentation necessary for the Budget Revision, as well as your current approved budget. Please use the attached documents to submit your proposed funding for the continuation of this program. Please note that no New budget items may be added to the budget revision. This increase is only for the extension of the current program.

**Return these materials to me no later than Monday, October 25<sup>th</sup>, 2021.**

If you have any questions concerning this designation, please feel free to call me at 312-793-4203 or email me at [Wanda.Block@illinois.gov](mailto:Wanda.Block@illinois.gov). I look forward to working with you on the continuation of this program.

Sincerely

*Wanda Block*
