CHAIR'S REMARKS

Please find my Chairman's Report for the previous month. As always, I look forward to your feedback on any of my activities.

LEGISLATIVE

Meeting with Congressman Roskam

I recently met with Congressman Peter Roskam to update him on our federal legislative agenda. We also discussed Lake County's infrastructure priorities. He outlined a new proposal to fund infrastructure through amending the tax code in order to incentivize the repatriation of corporate profits which he feels is gaining traction in Washington. We also discussed the importance of a 5-6 year transportation view similar to how the county

plans for transportation improvements.

Conference Call with the Filler Foundation

I held a conference call with Mark Filler of the Filler Foundation to discuss our proposal to amend the federal HIPPA Act and allow a medical professional to alert the parents of a heroin addict when the individual 1) checks themselves out of rehab against the advice of doctors and 2) is a serious or imminent danger to themselves or others. Unfortunately, the idea for the initiative came from Mark's personal experience. His son died from a heroin overdose after being released from rehab without his family's knowledge. Mark firmly believes that his son would still be alive if this measure was in place. The foundation is funding a lobbyist in Washington to advance legislation.

ECONOMIC DEVELOPMENT

Leadership Lake County Steering Committee Meeting

Lake County Partners convened our quarterly Leadership Lake County Steering Committee meeting. The group, made up of early career professionals and HR leaders, discussed the results of recent focus group meetings including one at JP Morgan Chase. A survey on the issue of young professional preferences and employer needs continues to circulate. Results are expected to be completed next quarter. We also conducted an environmental scan on internship, mentorship and affinity group offerings at local employers which are identified as critical to talent acquisition and retention.

Text-A-Tip

The Lake County Board, the State's Attorney's Office and the Health Department have teamed up to launch a countywide "Text-A-Tip" program. This program is an anonymous texting system, through which individuals can send a text message 24/7 to a dedicated number and receive an immediate response from a licensed mental health professional. People can share a concern about themselves or someone else and receive help while maintaining anonymity. The idea of the Text-A-Tip program was derived from Leading Efforts Against Drugs (LEAD) in Lake Bluff/Lake Forest, IL.

Survey Launched to Collect Data on Lake County Health Conditions and Challenges
The Live Well Lake County Steering Committee and Health Department are conducting a survey to assess health conditions and challenges in your community. The survey is anonymous.

- 5,000 invitations to take the survey were sent to randomly selected households in Lake County during the first week of September.*
- The invitation will give instructions to either respond online or call a toll-free number.*
- The survey should take 20 minutes or less to complete.*
- If you are randomly selected to take the survey, please help your community by responding as soon as possible.*
- The data collected will be used to create the Lake County Health Improvement Plan – a plan that will help all of us live healthier lives.*

Low-cost Pet Vaccination Clinic in Deerfield

The next low-cost pet vaccination clinic will be held on Saturday, September 26, from 9 a.m. until noon at the Jewett Park Picnic Shelter in Deerfield. The shelter can be accessed from Hazel off Waukegan Road. A one-year rabies vaccination and Lake County tag is only \$20.00 for spayed or neutered pets. Microchips are available for \$15.00. Only cash will be accepted at the site. For more information, call: (847) 377-4700.

National Depression Screening Day Activities

For many years, the Health Department's Behavioral Health Services has co-sponsored National Depression Screening Day activities at the College of Lake County in Grayslake. This year's screenings will take place on Thursday, October 8, from 10 a.m. to 1 p.m. and from 5 p.m. to 7 p.m. Participants watch a video presentation on depression and take a mini-inventory on depressive symptoms.

Suicide Assessments

The Health Department's Child and Adolescent Behavioral Services Program assists Lake County schools with signs of suicide assessments. Coming up in October, Child and Adolescent Behavioral Services (CABS) will have crisis evaluators on site at Grayslake Central High School to assist their team of counselors with the signs of suicide screening. Each year students are screened for risk factors of suicide and referred for further evaluation and services from CABS if indicated.

Back to School Reminder

Now that school is back in session, we want to remind you that medical and dental appointments are available at health center locations of the Lake County Health Department and Community Health Center. To schedule a school physical, sports physicals or immunizations, contact the Call Center at 847-377-8800.

Lake County Partners Report.

Leadership Lake County Update

The Leadership Lake County steering committee, founded and overseen by Lake County Board Chair Aaron Lawlor and County Board Member Nick Sauer, continues to advance the initiative to ensure that Lake County businesses and municipalities can benefit from the talent of young professionals, aged 22-39 years old.

The steering committee spent the summer months on outreach efforts to gain insight, leading focus group discussions with young professionals and polling human resource professionals via online survey at companies throughout Lake County. Moving into

September and October, additional focus group discussions will be held at colleges and universities in Lake County, Cook County and southeastern Wisconsin.

Through this strategic outreach, Leadership Lake County will identify the existing conditions and future needs of key industries in Lake County as well as the “wants” and “needs” of the young professionals inside and out of Lake County that may serve as the labor force for local businesses in key industries. Following the outreach stage, the steering committee will compile a report which will then be shared with County stakeholders and used to shape long-term objectives for the initiative.

Businesses that would like to participate in the online survey and/or learn more about how to host a facilitated focus group discussion with young employees may contact Lake County Partners Economic Development Manager Barbara Prusila at bprusila@lakecountypartners.com or 847-597-1230.

Economic Developments Quarterly E-Newsletter

This week, Lake County Partners will publish its third quarter e-newsletter—the e-newsletter is one of the organization’s primary communication tools, and it contains timely information on economic development initiatives and events in Lake County. Those who are interested in receiving email communications from Lake County Partners are encouraged to sign up to receive the newsletter on Lake County Partners’ website at www.lakecountypartners.com
