ADDITIONS TO THE AGENDA (FOR DISCUSSION ONLY)

There were no additions to the agenda.

SPECIAL RECOGNITION**PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)**

Public comment was made by Charlotte Roberts, of Grayslake, representing 4H Club.

CHAIR'S REMARKS

Please find my Chairman's Report for the previous month. As always, I look forward to your feedback on any of my activities.

HEALTH AND COMMUNITY SERVICES*Illinois Health Facilities and Services Review Board*

Last month, I attended the Illinois Health Facilities and Services Review Board meeting to provide public comment in support of Transitional Care of Lake County's application for the construction of a new Winchester House. The board approved the certificate of need, which paves the way for TCLC to continue to move forward with land acquisition, design and construction at their preferred site in Mundelein.

TRANSPORTATION*Transit Team Meeting*

Our Lake County "Transit Team" consisting of transit board members Ike Magalis (RTA), Norm Carlson (Metra) and Linda Soto (Pace) met yesterday with Paula Trigg, Barry Burton, PWT Chair Bonnie Thomson Carter and me. One of the main topics of discussion was the positive impact of the approval of state's recent stopgap budget. The temporary spending plan allows revenues for the RTA's 30% sale tax match, reduced fare subsidies, ADA grants and capital spending to be released to the transit agencies.

We also had thorough discussions on Union Station improvements and oversight, the Metra Electric Line's financial sustainability and budgeted improvements to the Milwaukee North Line.

OTHER MEETINGS

*Spoke at the Illinois Government Affairs Group Dinner
Meeting with Lake County Transportation Alliance President and Executive Director
Meeting with staff regarding draft Video Gaming Revenue Policy
Vernon Hills Village Board Meeting
Meeting with Lake County Bar Association President Don Morrison

Board of Health Report.

Outbreak of Invasive Meningococcal (meh-nin-ge-kak-al) Disease

LCHD/CHC Sexually Transmitted Infections program is working with Chicago to control an outbreak of invasive meningococcal disease.

Meningitis and meningococemia (meh-nin-joh-kak-see-mia) are common forms of this disease and have a high mortality rate, if untreated, but they can be prevented with vaccine. Although meningococcal disease is not as contagious as the common cold, it can be transmitted through saliva and occasionally through close, prolonged general

contact with an infected person.

Last year, there were seven cases of this disease in Chicago among men who have sex with men, including one death. This spring two additional cases were diagnosed in Chicago connected to the same outbreak.

Since many Lake County residents commute to Chicago, LCHD/CHC is making it a priority to vaccinate as many at-risk individuals as possible if they have not been vaccinated in the last five years.

While anyone can be affected by meningitis, gay, bisexual and other men who have sex with men are disproportionately impacted by this outbreak. HIV positive people are also at risk and require a second dose of vaccine due to a weakened immune system.

LCHD/CHC has obtained free vaccine to vaccinate all gay, bisexual and other men who have sex with men as well as all individuals who are living with HIV. To date, 35 individuals received vaccinations and health department staff will continue outreach and clinical efforts.

Rx for Health-Walking In Nature is July 16 at Middlefork Savanna

The next Rx for Health walk is scheduled for July 16th at Middlefork Savanna in Lake Forest. The walk is open to all ages. Those 16 and younger must be accompanied by an adult. All walks start at 4 p.m. and range in length from 1 to 2 miles. These are rain or shine events and no pets are allowed (with the exception of service animals). Learn more by visiting the Lake County Forest Preserves website: www.lcfd.org.

Animal Care & Control Low-Cost Pet Vaccination Clinics

Lake County Health Department's Animal Care and Control Program, in conjunction with the Zion Police Department, will be hosting their next off-site low-cost vaccination clinic on Saturday, July 16 from 9 a.m. - Noon.

Clinic location is at the Zion Park District, Bethel Boulevard and 27th Street.

Lake County residents can bring their dogs and cats on a first-come first-serve basis.

This is a cash only event. Cost for rabies, distemper, and tag is \$25 for altered pets and \$65 for intact pets.

The clinic provides a convenient and affordable way for Lake County residents to keep their pets up to date with shots and rabies tags. In 2015, 11 low-cost pet vaccination clinics were held and 2,696 animals were seen.

For additional information about the clinics, please contact the Animal Care and Control facility at (847) 377-4700 or visit: Health.lakecountyil.gov.

West Nile Virus Update

A mosquito pool (or batch of mosquitoes) sampled June 23 in Highland Park has tested positive for West Nile virus. The mosquito pool is the first confirmed indicator of the disease's presence in Lake County in 2016.

In 2015, five human cases of West Nile virus were reported in Lake County. In

addition, 68 pools or batches of mosquitoes and one bird tested positive for the virus.

This is the time of year when we begin to see mosquito pools testing positive for West Nile virus. Now that hot summer weather is finally here, it is especially important to protect yourself against mosquito bites by following the four D's:

- Drain: regularly empty water from outdoor containers;*
- Dress: cover skin by wearing long sleeved shirts and pants;*
- Dawn and Dusk: stay indoors during early evening and morning hours;*
- Defend: use insect repellent that contains DEET*

Lake County Partners Report.

**LAKE COUNTY PARTNERS COUNTY BOARD UPDATE
JULY 2016**

Municipal Economic Development Advisory Group Meeting Recap

Last year, Lake County Partners established the Municipal Economic Development Advisory Group to bring together municipal staff on a quarterly basis to discuss topics of interest that can assist them with their economic development efforts. On June 22nd, the group met at the University Center of Lake County and discussed how: 1) Lake County municipalities can use drone footage to market their communities; 2) the Transportation Management Association of Lake Cook (TMA) works with Lake County businesses to effectively move employees via their "Shuttle Bug system"; and, 3) municipalities can work with Pace Bus to ensure that their services meet local needs.

The next Municipal Economic Development Advisory Group meeting will be held on September 14th, and Lake County Partners will also host local municipalities at the upcoming International Council of Shopping Centers Deal Making Show in October. Municipal representatives interested in participating or learning more may contact Economic Development Manager Barbara Prusila at 847-597-1230.

Round Lake High School is Seeking Local Business Experts for Business Incubator Program

In August 2016, Round Lake High School will introduce a new Business Incubator Program to provide students with real-world entrepreneurial experience and enable them to create their own businesses. The school is currently seeking entrepreneurs and business experts from Lake County who want to make a difference in the lives of young adults to serve as coaches and mentors. Volunteers will guide student teams through the process of ideation, market research, and business plan development. For more information for how you can be a part of this program, go to the Round Lake Area School District #116 website or contact Chair Mike Baird at 847-270-9300.

Business Success Story: Valent BioSciences, Village of Libertyville

Valent BioSciences, the global leader on biorational products, announced that the company will invest \$22 million to construct a 98,000 sq. ft. Global Innovation Center to serve as their primary research facility at Innovation Park in the Village of Libertyville. In describing their decision to locate in Lake County, the business noted that the location will enable the company to attract and retain the top talent necessary to flourish. This is encouraging economic development news because the project will reinvigorate the former Motorola Mobility property with a company in one of the county's target industries.
