PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)

Public Comment was made by Susan Zingle, of Wadsworth, representing the League of Women Voters.

CHAIRMAN'S REMARKS**VALUE: FISCAL RESPONSIBILITY***County Board Meeting Adjournment Adjustments*

Illinois Statutes contemplates that County Boards will meet two times per year – September and June

Following a review of the statute, County Board minutes current and past, and other County minutes, State Attorney's Office has advised us that the adjournment of County Board meetings should reflect language adjourning the September (September through May) or June (June through August) session to the next scheduled regular Board meeting.

Board members will note that change moving forward

You will note the September 12 agenda reflects this recommended adjournment language

*FY 2018 Budget Process/ Calendar Update**General Budget Overview*

County Administrator and staff have been meeting throughout the summer to develop a recommended budget that will be presented to the Committee of the Whole on October 6

The budget will be balanced, reflect the Board's strategic priorities and policies

This budget adjusts for reductions related to the State budget

Budget Calendar

In May, we shared with the Board a tentative budget calendar along with budget policies

As we enter into the budget process over the next few months, have updated the FY 2018 Calendar which is in front of you.

I want to highlight a few changes.

The changes are based on:

Facilitate anticipated length of particular meetings – impacting start times

This is the first budget process without an RRL Committee.

Budgets that formerly fell under RRL will be heard by F&A (County Clerk, ROE, Recorder of Deeds, Chief County Assessor)

To accommodate these budgets, this meeting will start at Noon rather than 1PM

Truth in Taxation Hearing

The calendar has been updated to reflect that a Truth-in-Taxation hearing will not be required for FY 2018

Such a hearing is only required when the tax levy will increase greater than 5%.

Based on CPI and new growth, the levy increase presented as part of the final budget will be well below this level

All of these meetings are posted and open to the public.

VALUE: OPERATIONAL EXCELLENCE

LAKE COUNTY COMMUNICATIONS RECEIVES THREE FIRST PLACE NATIONAL AWARDS

Lake County recently was awarded three first place national awards for effective, creative, and innovative communications projects from the City, County Communications and Marketing Association (known as 3CMA).

Lake County's website won the top 3CMA Savvy award for best overall website (among local governments). We launched our redesigned website last year. This was a huge project and all departments contributed to this success.

The LCTV video "Meet Mitch and Hitch" took home the first-place prize for Promotional Video. The video features the State's Attorney's Office's two facility dogs and showcases the meaningful work they do.

Lake County in partnership with the Lake County Clerk's Office also brought home a Savvy for "Most Creative Activity with Least Dollars Spent" for its "Vote Like A Couch Potato" marketing campaign. Through creative messaging and materials and a clever video, this campaign encouraged residents to vote at home (like a couch potato). Deb Nieto and Linda Musak from the Clerk's Office conceptualized the idea and they are here today.

911 Emergency Dispatch Consolidation Report.

Phase 2 report is complete.

Lake County hosted several meetings around several area communities to share the findings of the phase two report with representatives from Lake County communities, dispatch centers, as well as police and fire agencies.

The study provided an excellent base of knowledge for communities to consider. Not surprisingly, there remain many more detailed questions yet to be answered.

Lake County will host another follow up meeting on September 19, 2017 at 9:00 a.m. at the Central Permit Facility to discuss with these agencies who are committed in proceeding with the more detailed analysis. Agencies are encouraged to come to this meeting to determine, together, the next steps and develop a plan that outlines a path forward to a consolidated 911 system for Lake County communities.

Board of Health Report.

Confirmed human cases of West Nile virus in Lake County

Three human cases of West Nile virus have recently been confirmed in Lake County. Since 2002, there have been 61 human cases in the county, as well as two confirmed deaths.

Although the weather is getting cooler, the threat of West Nile virus remains. The illness is spread by the bite of an infected Culex mosquito, and mosquitoes will remain active until the first hard frost.

On August 15, the health department conducted an emergency aerial larvicide treatment to areas along the Des Plaines River impacted by flooding, targeting 130 acres where mosquitoes known to carry West Nile virus were breeding.

While residents are encouraged to stay active outdoors, please remember to wear insect repellent and take other precautions to avoid mosquito bites.

Tips to reduce mosquito breeding and prevent mosquito bites can be found on the health department's website, www.FightTheBiteNow.com. Residents can also call the West Nile virus hotline at (847) 377-8300.

Fifth Lake County community adopts Tobacco 21 policy

On August 21, the Village of Buffalo Grove became the fifth Lake County community to increase the minimum legal sales age (MLSA) of tobacco products and e-cigarettes to 21. Buffalo Grove's ordinance will take effect in December.

The Tobacco Free Lake County program at the Lake County Health Department continues to educate municipalities on the benefits of increasing the MLSA.

For more information on Tobacco 21, contact Tobacco Free Lake County at (847) 377-8090.

Final Low-Cost Pet Vaccination Clinic in Beach Park

Each year, Animal Care and Control provides low-cost pet vaccination clinics to Lake County residents. These clinics are a convenient and affordable way to keep pets up to date with their shots and rabies tags. Microchip services are also offered.

The final vaccination clinic of the year is scheduled for Saturday, October 7, 9 a.m. to noon at Beach Park Public Works, (40185 Glendale Avenue).

Pets are taken on a first-come, first-served basis. All animals must be at least 4 months old. Dogs must be leashed and cats placed in carriers.

Only cash is accepted on-site and at the time of service. Proof of spay/neuter may be required.

For additional information including prices, visit the Animal Care and Control web page, <http://www.lakecountyil.gov/152/Animal-Care-Control>, or call them at (847) 377-4700.

Rx for Health: Walking in Nature

The 2017 Rx for Health walking season continues through October. The simple act of walking, especially in nature, can improve one's overall health, both physically and mentally.

The final two walks are scheduled for:

Saturday, September 16 at Grant Woods in Ingleside (25405 W. Monaville Rd).

Saturday, October 14 at Lyons Woods in Waukegan (10200 Blanchard Rd).

All walks are from 4:00 – 5:30 p.m. and range in length from 1 to 2 miles. Everyone can walk at their own pace and distance.

Walks are guided by a NorthShore physician and a Lake County Forest Preserve naturalist and are accompanied by staff from the Lake County Health Department and Community Health Center.

The walks are open to all ages, but those 16 and younger must be accompanied by an adult. These are rain or shine events and except for service animals, no pets are allowed.

Youth Mental Health First Aid training available

Youth Mental Health First Aid is a public education program that provides individuals with the knowledge and skills to identify and support adolescents (12-18 yrs. old) that are at risk, displaying warning signs of mental health or substance use problems, or experiencing a mental health crisis.

The Lake County Health Department is offering training at their Waukegan location (3010 Grand Avenue, Waukegan) on the following dates:

October 12, October 19, November 7 and November 16.

Each training begins at 8:00 a.m. and ends at 5:00p.m.

The cost for the training is \$20 per attendee.

Lake County residents working with youth in a variety of settings such as schools, hospitals/medical clinics, social services, and youth groups are encouraged to attend.

To learn more, contact Angie Stefani at ASTefani@lakecountyil.gov or (847) 377-8961.

Lake County Partners Report.

**LAKE COUNTY PARTNERS COUNTY BOARD UPDATE
SEPTEMBER 2017**

Rosalind Franklin University of Science and Medicine Breaks Ground on New Facility
On September 8th, Rosalind Franklin University of Medicine and Science broke ground on a new Innovation and Research Park expected to be complete by 2019. The facility is a four-story, 100,000 sq. ft. addition that will house research labs and incubator space for university faculty and commercial biotech startups as well as national and international life science firms. It is anticipated that the project will encourage collaboration among experts in the life sciences field and result in innovative treatments for conditions including Alzheimer's Disease, Parkinson's Disease, diabetes, cancer and mental illness. Lake County Partners estimates that this project will create an estimated 498 new jobs and a total economic regional impact of \$117 million per year.

Workforce Ecosystem Support Assists E.H. Wachs with Locating Talent
As precision tooling manufacturer E.H. Wachs looked to consolidate its facility in Harvard with the company's existing facility in Lincolnshire, the partners in the Workforce Ecosystem worked together to assist them with tapping into Lake County's vast talent pipeline. In response to their need for skilled engineers and a videographer, the Lake County Workforce Development Department sourced resumes for the company's consideration, paying particular attention to finding a pool of candidates affected by previous layoff events. As a result, E.H. Wachs was able to seamlessly hire a full-time

permanent Electrical Engineer and 2 temporary CAD Engineers and contract with a videographer to capture instructional footage.

Lake County Partners is available to meet with businesses and seamlessly provide valuable connections to stakeholders like the Lake County Workforce Development Department, College of Lake County, Lake County High Schools Tech Campus, Workforce and Professional Development Institute, local high schools, Illinois Manufacturing Center and others. To request support, visit www.lakecountypartners.com

Lake County Partners Offices to Move

Please note that on September 21st, Lake County Partners' offices will relocate to 1 Overlook Point, Suite 280, in Lincolnshire. No interruption in service is expected.
