Board of Health Report.

New Zion Health Center • The Health Department is pleased to announce that the new Zion Health Center is opening on June 14, 2018. The health center will provide expanded access to high quality care to the residents of Zion and surrounding communities. • The new Zion Health Center is located at 1911 27th Street, Zion – just one block west of the old

location. • The new location features brand new, state-of-the-art equipment and expanded services, including primary care, dental, nutrition services, behavioral health, women's health, WIC, and more. • Residents can call the Patient Access Center at (847) 377-8800 for appointments.

Youth Mental Health First Aid Training • Lake County residents working with youth in a variety of settings such as schools, medical facilities, social services, and youth groups are encouraged to attend a Youth Mental Health First Aid training. • The Health Department will host full-day workshops on June 21 and July 13 at their Waukegan location (3010 Grand Ave., Waukegan). • Each training begins at 8:00 a.m. and ends at 5:00 p.m. The cost is \$20 per attendee. • Youth Mental Health First Aid provides individuals with the knowledge and skills to identify and support adolescents (12-18 yrs. old) that are at risk, displaying warning signs of mental health or substance use problems, or experiencing a mental health crisis. • To sign up, contact Angie Stefani at ASTefani@lakecountyil.gov or (847) 377-8961.

Rx for Health: Walking in Nature • The 2018 Rx for Health: Walking in Nature season continues. The simple act of walking, especially in nature, can improve one's overall health, both physically and mentally. The next two walks are scheduled for: Saturday, June 16 at Greenbelt Forest Preserve (1110 Green Bay Rd., North Chicago). Meet in the South Parking Lot. and Saturday, July 21 at Lyons Woods (10200 W. Blanchard Rd., Waukegan). Meet in the parking lot off of Blanchard Rd. near the trailhead. • All walks are from 4:00-5:30 p.m. and range in length from 1 to 2 miles. Everyone can walk at their own pace and distance. • Walks are guided by a NorthShore physician, a Lake County Forest Preserve naturalist, and staff from the Lake County Health Department and Community Health Center. • The walks are open to all ages, but those 16 and younger must be accompanied by an adult. These are rain or shine events. With the exception of service animals, pets are not allowed. • Learn more and find the full Rx for Health schedule at livewelllakecounty.org/rxforhealth.

Low-Cost Pet Vaccination and Microchip Clinics • The Lake County Health Department's Animal Care and Control will hold two low-cost pet vaccination and microchip clinics in June: June 16 at Grant Township Center (26725 W. Molidor Rd., Ingleside); and June 30 at Zion Park District (corner of Bethel Blvd & 27th St., Zion). • The clinics are from 9 a.m. to noon and are open to ALL Lake County residents. • Pets are taken on a first-come, first-served basis. Only cash is accepted at the time of service. • All animals must be at least 4 months old. Dogs must be leashed and cats placed in carriers. • For additional information, including prices and a list of all upcoming clinic dates and locations, visit the Animal Care and Control webpage or call (847) 377-4700.

GO Lake County walking initiative • GO Lake County is a walking initiative that promotes healthy and active living through programming and events at local park districts. GO enables everyone in Lake County to increase their level of daily physical activity and

fosters community engagement. • A new web page, www.GOLakeCounty.org, has been added to the Live Well Lake County website. The website contains a master map and calendar with all upcoming GO walks across Lake County, information about the initiative, photos from recent walks, and a listing of all GO communities.

Swim Safely in our Lakes this Summer • Residents are reminded to take precautions to protect themselves from recreational water illnesses when swimming in lakes this summer. • The Health Department monitors lake water for bacteria in over 100 Lake Michigan and inland lake beaches. Beach closure information can be found on the Health Department's Beach Advisory web page, www.lakecountyil.gov/2385/Beach-Advisory, which is updated daily by 10:00 a.m. • Before heading out to your favorite lake or beach, make sure to check and see if it is open for swimming. If a swim ban is in place, do not swim in the lake. • Avoid swimming in lakes after a large rain event, since rainfall can wash pollutants into lakes resulting in elevated bacteria levels. • On Lake Michigan, don't swim during times of heavy surf (i.e., high waves), which can overpower even the strongest swimmer. • On inland lakes, occasional harmful algae blooms may occur. Avoid areas where the water has a green or blue-green appearance. Report any algae blooms to the Health Department by calling (847) 377-8020.

Lake County Partners Report.

Lake County Partners Welcomed Hundreds of Leaders to its Big Event

Lake County Partners brought together hundreds of business and civic leaders to celebrate the organization's 20th anniversary at the annual "Big Event" on June 1st. The program provided companies and communities with the latest tools that they need to fuel economic development, and this year's focus was on business growth and innovation. Keynote speaker Robert Safian, the former Editor at Fast Company magazine and current Editor and Managing Director of The Flux Group, passionately presented five important best practices that businesses can incorporate to remain competitive and relevant in times of transition, noting:

"Mission and purpose is the ultimate competitive advantage in times of chaos."

HydraForce is Recognized with Inaugural Workforce Ecosystem Talent Innovator Award
During the event, Lincolnshire-based HydraForce, a manufacturer of the highest quality hydraulic cartridge valves, manifolds and electro-hydraulic controls for the heavy equipment and material handling industries, was recognized as the inaugural winner of the Lake County Workforce Ecosystem Talent Innovator Award. The company has nearly 1,000 local employees and has worked with the partners in the Lake County Workforce Ecosystem to creatively address their talent needs as they have experienced tremendous growth in Lake County. They have established programs in STEM and Manufacturing, made connections with local high schools and the Lake County High Schools Technology Campus, implemented an ESL program, participated in numerous job and career fairs and partnered with the Veterans Administration to hire veterans—making them a true

example of a company that has seized every workforce development opportunity afforded to them in Lake County. Business leaders looking to learn more about how they can take advantage of the programs and services offered through the Lake County Workforce Ecosystem can request a visit with Lake County Partners at www.lakecountypartners.com

Lake County Partners' Annual Report is Now Live

Lake County Partners unveiled its Annual Report at the Big Event, and this year's issue reflected on 20 years of Lake County Partners and celebrated the milestone with 20 interesting Fast Facts about Lake County. The full document is definitely worth reading for a sense of recent economic development highlights, and it's now posted online at www.lakecountypartners.com
