6. COMMISSION REPORTS

Director's Report

Mike Warner updated the Commission on the FEMA Disaster Reform Act and the Fox River Flood Control Commission (starting in January 2019).

a. Upper Des Plaines Impact Analysis Update (Foxconn)

Mike Warner and Darren Olson gave an update on the Upper Des Plaines Impact Analysis Study (FoxConn). There were several questions and some discussion, Mike said he would keep the Commission updated and the date for the draft report mid-February and future presentation was discussed.

19-0100

b. Waters of the U.S. Rule Update (Wetlands)

Mike Warner updated the Commission on the WOTUS update to the Federal Definition. Due to the current lapse of appropriations for the EPA the rule has not been published. SMC staff will continue to track this important issue as it proceeds through the comment period.

19-0088

c. Center for Neighborhood Technology - RainReady North Chicago Pilot Program

Mike Warner announced the Center for Neighborhood Technology (CNT) RainReady North Chicago Pilot Program. This was first brought to SMC as a proposal as a WMAG program and under the Director's spending authority it was decided to move forward and assign \$12,000 of FY19 watershed planning assistance funds. The pilot program includes task assistance from both the City of North Chicago and CNT.

Chairman's Report

Chairman Taylor mentioned the award that Mike Warner had recently been presented with from the APWA for Professional Manager of the Year. He noted some of Mike's accomplishments and congratulated him on an award well deserved.
