*Lake County Courthouse and Administrative Complex
18 N. County Street
Waukegan, IL 60085-4351*

Meeting Minutes - Final

Tuesday, March 12, 2019

9:00 AM

Lake County Government Building

Lake County Board

CALL TO ORDER**MOMENT OF SILENCE****PLEDGE OF ALLEGIANCE**

Member Frank led the Board in the Pledge of Allegiance.

ROLL CALL OF MEMBERS

Present 20 - Member Carlson, Chair Hart, Member Hewitt, Member Paxton, Member Pedersen, Member Rummel, Member Wilke, Member Didech, Member Barr, Member Martini, Member Wasik, Member Durkin, Member Vealitzek, Member Kyle, Member Clark, Member Simpson, Member Danforth, Vice Chair Cunningham, Member Frank and Member Taylor

Absent 1 - Member Maine

ADDITIONS TO THE AGENDA (FOR DISCUSSION ONLY)**SPECIAL RECOGNITION****1** [19-0410](#)

Special recognition proclaiming March 2019 as National Problem Gambling Awareness Month.

Attachments: [Lake County Video Gaming Data](#)

Public comment on this item was made by Elizabeth Thielen, of Round Lake, representing Nicasa Behavioral Health

2 [19-0453](#)

Special recognition honoring the life, service, and dedication of Stephan A. Kaminsky to the Veterans of Lake County.

3 [19-0458](#)

Special recognition proclaiming April as National Child Abuse Prevention (Blue Kids Lake County) Month.

PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)

*Public comment was made by:
Bill Morris of Grayslake
Dick Barr of Round Lake Beach*

CHAIR'S REMARKS

Please find my Chairman's Report for activities since the last County Board meeting on February 12, 2019. Once again, I am honored to serve you as Chair of the Lake County Board and I look forward to working with you and continuing our efforts on bipartisan policies and legislative matters.

Mental Health

I've had several meetings this month regarding Mental Health. Vice Chair Cunningham

and I met with key Lake County stakeholders (Sheriff Idleburg, States Attorney Nerheim, Judge Stride, Public Defender Gossman, and others) regarding the need for a crisis center and how we will use national best practices to determine the specifics (more info below). HCS Chair Carlson and I met with members of Lake County United to discuss their urgent desire for a crisis center and the necessary changes to how Illinois reimburses medical providers for Medicaid patients. I met with Northwestern-Lake Forest Hospital regarding their patient care for people living with mental illness and how it affects their emergency department's workload. This was also a primary legislative initiative discussed at the NACO legislative conference.

Lake County is honored to be selected to attend a NACO conference in Multnomah County, Oregon regarding Criminal Justice Coordinating Councils, law assisted diversion from jails, and data dashboards. I will attend this two day conference in April. All costs are paid for by NACO through foundations that sponsor criminal justice reform.

County Administrator Search

Lake County will be working with GovHR to conduct a national search for a County Administrator (CA). While Amy McEwan is doing an outstanding job as Interim CA, it is our practice to conduct national searches for top level positions. Board members and Directors can expect to hear from Heidi Voorhees in the next few weeks to schedule a 1:1 interview to determine the competencies we seek for this critical role.

Lake County Legislative Breakfast

Last month we held our legislative breakfast with several state legislators, including Representatives Yingling, Mason, Mayfield, Edly-Allen, Didech, Morgan, and Weber and Senators McConchie, Bush, and Wilcox. County Board members Carlson, Clark, Cunningham, Danforth, Didech, Frank, Kyle, Martini, Pedersen, Rummel, Simpson, Vealitzek, and Wasik, along with Circuit Court Clerk Cartwright-Weinstein, Sheriff Idleburg, Treasurer Kim, Clerk O'Connor, Regional Office of Education Superintendent Wood, also attended. It was a great opportunity to hear from our legislators about their priorities and get their feedback on bills that are important to Lake County Government.

Ethylene Oxide

The Lake County Health Department has joined with the Village of Gurnee and the City of Waukegan to urge the EPA to conduct air quality studies to determine the levels of ethylene oxide around Vantage Specialty and Medline, two businesses in Gurnee and Waukegan, respectively. Mark Pfister has been working closely with health and government partners on next steps and ensuring that information is being shared with the public. More information can be found at www.lakecountyil.gov.

Regional Roundtables

Several board members (Barr, Carlson, Cunningham, Didech, Frank, Maine, Martini, Pedersen, Taylor, Vealitzek, and Wasik) joined me at the Regional Roundtables we held around Lake County. Our focus was on the transportation consensus plan which was developed in 2006 to ensure that municipalities still agreed that these are the right

projects for Lake County. This is an important endeavor as we hope to see a capital bill this spring and it is important for Lake County to have a request that has buy-in from all the leaders.

NACo Legislative Conference

Last week I attended the NACO conference with Vice Chair Cunningham and Members Barr and Kyle. The national priorities that impact Lake County are:

Promote County Infrastructure Priorities in a Comprehensive Infrastructure Package

Promote Mental Health, Substance Use Disorders Treatment and Criminal Justice

Reform

Boost Broadband Deployment and Accessibility While Preserving Local Zoning

Authority

Establish a More Effective Definition of Waters of the U.S

Promote Economic Mobility and Opportunity Across All Counties

I encourage you to visit www.naco.org for more information.

Stormwater Management-FoxConn

Last week I attended the SMC meeting with Commission members Carlson, Pedersen, Martini, Rummel, Maine, and Wasik, and board members Barr, Clark, Didech, and Vealitzek. It was disconcerting to me to see how the data used to determine the acreage needed to offset the planned development differed from what we would use in Lake County. Christopher Burke gave a great presentation on the potential impact of FoxConn to flooding in the DesPlaines River watershed. You can view it on SMCs website. We also had the pleasure of congratulating the winners of the 2018 Stormwater Awards:

Stormwater Manager of the Year Donovan Day Village of Fox Lake

Community of the Year – Village of Deer Park

Stewardship of the Year – Squaw Creek Clean Water Alliance

BMP Project of the Year – The Shanty Wadsworth

Education, Outreach and Media Award – WRLR 98.3FM – The Voice of Lake County!;

Terry Cox and Lou Bruno, “CERT Presents” Show

OTHER MEETINGS OF NOTE

Judicial Team Meeting

Climate Change event with Congressman Schneider

Lake County Partners Operations Committee meeting

Installation of Judge Patricia Cornell

Visit to DuPage County to meet with Chair Cronin

North Chicago Economic Forecast breakfast

IMPORTANT UPCOMING MEETINGS/EVENTS:

Lake County Partners – Board of Governors Meeting – March 14

Live Well Lake County – March 15

McHenry Site Visit – March 18

Lake County Building Trades Meeting – March 21

Township Assessor Annual Luncheon Meeting – March 21

National Victims Week – April 11

HEALTH AND COMMUNITY SERVICES COMMITTEE**35 19-0099**

Board of Health Report.

Ethylene Oxide Update

The Lake County Health Department continues to urge state and federal officials to conduct ambient air monitoring in Lake County.

On February 28, 2019, Health Department Executive Director Mark Pfister met with Illinois Environmental Protection Agency (IEPA) Director John Kim, Illinois Senator Melinda Bush, Gurnee Mayor Kristina Kovarik, and Waukegan Mayor Sam Cunningham to discuss options for independent ambient air monitoring to assure the protection of residents' health.

Residents seeking information about ethylene oxide in Lake County can find the latest updates on the U.S. Environmental Protection Agency (EPA) 'Addressing Ethylene Oxide Emissions in Lake County, Illinois' web page. Questions and concerns can be sent via email to the U.S. EPA at eto@epa.gov. Information on Lake County Health Department activities related to ethylene oxide emissions can be found on the Health Department's website.

Guard and Discard your prescription drugs

In Illinois, prescription pain medication overdose deaths doubled between 2013 and 2016. Together with the Illinois Department of Human Services, the Health Department's Prevention Services reminds residents to "Guard and Discard" their prescription medications to help reduce prescription drug misuse.

Prescription medications can be safe and effective if used as directed but can be dangerous when used incorrectly. Proper disposal of prescription drugs can prevent misuse and accidental poisonings.

Lake County has 32 prescription drug disposal boxes located at Police Departments and participating Walgreens. Residents can visit drugfreelakecounty.org to find their nearest drug disposal box.

If you or someone you know are impacted by addiction to opioids or other substances, you can call the Illinois toll-free helpline, 24 hours a day, seven days a week at 1-833-2FINDHELP.

Low-Cost Pet Vaccination and Microchip Clinics

The Lake County Health Department's Animal Care and Control will hold their first two low-cost pet vaccination and microchip clinics of the season:

March 30 at the Milton C. Jensen Public Works Facility (40185 Glendale Ave., Beach Park);

April 20 at Lake County Fairgrounds (1060 East Peterson Rd., Grayslake).

The clinics are from 9 a.m. to noon and are open to ALL Lake County residents.

Pets are taken on a first-come, first-served basis.

All animals must be at least 4 months old. Dogs must be leashed and cats placed in

carriers.

Only cash is accepted at the time of service.

For additional information, including prices and a list of all upcoming clinic dates and locations, visit the Animal Care and Control webpage or call (847) 377-4700.

National Groundwater Awareness Week is March 10 – 16

About 90,000 Lake County residents rely on groundwater from aquifers to supply their private wells.

The Health Department will offer reduced water testing rates between March 11 and March 22 for homeowners who use well water as their primary source of drinking water.

The normal fee of \$18.00 for testing for bacteria and nitrates will be reduced to \$12.00.

Sterile test bottles and sampling instructions are available at the Lake County Central Permit Facility (500 W. Winchester Rd., Libertyville), at the Health Department's headquarters (3010 Grand Ave., Waukegan), and at 18 township or municipal offices located throughout Lake County. A list of locations can be found on the Health Department's website.

Colorectal Cancer Awareness Month

Colorectal cancer, also known as colon cancer, is a disease that occurs in the colon or rectum.

It is the second leading cancer killer in the U.S. and is most often found in people who are age 50 or older.

The American Cancer Society now recommends that adults begin regular screening for colorectal cancer at age 45.

Screening tests can find abnormal growths in the colon or rectum so they can be removed before turning into cancer. Screening also helps find colorectal cancer at an early stage, when treatment works best.

To schedule a screening test with a provider at the Lake County Health Department and Community Health Center, please call our Patient Access Center at (847) 377-8800.

World TB Day is March 24

World TB Day is March 24 – a day to educate the public about the impact of tuberculosis (TB) around the world.

An estimated 13 million Americans have latent TB infection, and without treatment, they are at risk for developing TB disease. As we continue to treat cases of active TB disease, it is also important to test and treat latent TB infection to prevent progression to disease.

Common TB signs and symptoms are cough greater than 3 weeks (with or without blood), fever, weakness, loss of appetite, and weight loss.

Those at highest risk for TB disease include those who have been recently infected with TB bacteria and those with medical conditions that weaken the immune system.

Lake County residents with TB risk factors are encouraged to contact the TB Clinic to schedule an evaluation by calling (847) 377-8700.

Diabetes Alert Day is Tuesday March 26

Diabetes Alert Day is March 26 – a day to sound the alarm about the prevalence of type 2 diabetes. Diabetes is the fourth leading cause of early death in Lake County.

84 million Americans have prediabetes, and only 10 percent of them know they have it.

Prediabetes means you're at risk for developing type 2 diabetes. The good news is, prediabetes can be reversed with simple things like diet and exercise.

Taking the risk test takes less than a minute. Go to DolHavePrediabetes.org. If you are at risk, talk to your doctor.

Rx for Health: Walking in Nature

The 2019 Rx for Health: Walking in Nature season begins soon! The simple act of walking, especially in nature, can improve one's overall health, both physically and mentally. The first two walks are scheduled for:

Saturday, April 13 at the Hastings Lake Forest Preserve (21155 W. Gelden Rd., Lake Villa);

Saturday, April 27 at Middlefork Savanna Forest Preserve (1401 Middlefork Rd., Lake Forest).

All walks are from 4:00-5:30 p.m. and range in length from 1 to 2 miles. Everyone can walk at their own pace and distance.

Walks are guided by a NorthShore physician, a Lake County Forest Preserve naturalist, and staff from the Lake County Health Department and Community Health Center.

The walks are open to all ages, but those 16 and younger must be accompanied by an adult. These are rain or shine events. With the exception of service animals, pets are not allowed.

Learn more and find the full Rx for Health schedule at livewelllakecounty.org/rxforhealth.

FINANCIAL AND ADMINISTRATIVE COMMITTEE**39 [19-0098](#)**

Lake County Partners Report.

Transportation is Key to Workforce Development

Lake County Partners' latest Economic Update tackled the myth that everyone in the suburbs is headed to Chicago for work, finding that for every four residents that head south for work, three Chicago residents commute to jobs in Lake County. This has underscored the importance of the recent launch of MetraMore, a new schedule on Metra's Milwaukee District North Line that kicked off on March 4th to provide morning and afternoon reverse

commute express trains, serving communities such as Lake Forest, Bannockburn, Deerfield and Lincolnshire, that make it easier to get to work in Lake County. The new schedule will also help residents quickly get to Chicago during peak hours, and provide new opportunities for morning inbound express service. Recent press coverage, including from WGN and ABC7, reported glowing reviews from employees.

The two-year MetraMore pilot project is the result of a groundbreaking partnership between Lake County Partners, Lake County government, Metra and community leaders like AbbVie, Horizon Pharma, Tenneco, Trustmark Insurance, Northwestern Lake Forest Hospital, the City of Lake Forest and the Village of Deerfield. As part of the project, stakeholders will also work on a definitive agreement to share the cost of installing a universal crossover near Lake Forest to create additional opportunities for enhanced service.

The Lake Forest train station is also seeing an increase in activity thanks to a surge in planned “pop-up” fairs to be held over the next few months to engage the community and provide access to vendors and trends in healthcare, wellness and food.

The Workforce Ecosystem Continues to Give Students Insights into Promising Careers

Partners in the Lake County Workforce Ecosystem (Lake County Workforce Development, Lake County Partners, the College of Lake County, the Lake County Tech Campus and others) joined forces this month to host a manufacturing and trades expo at the Lake County Tech Campus. Over 30 companies attended to meet with students and talk to them about what it’s really like to work in their industries. This event is one of nine events to be held in the coming months (at the Tech Campus, Warren Township, and Round Lake, Lake Forest and Waukegan High Schools) to help Lake County businesses collaborate with school instructors and establish strong talent pipelines.
