Presentation of the Pace 2020 Budget.

PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)

Public comment was made by:

Margaret Carrasco of Waukegan

Clyde McLemore

CHAIR'S REMARKS

Please find my report since the last County Board meeting on October 8, 2019. I am honored to serve you as Chairwoman of the Lake County Board and I look forward to working with you and continuing our efforts on bipartisan policies and legislative matters.

Budget

This was a very busy month working on the budget. I had several meetings with Finance Chair Frank and members of staff, both before and after our committee meetings. Thank you for your attention to detail and for the robust conversation on everything from specific line items to the levy and everything in between. I especially want to thank the members of the Finance committee-Chair Frank and Vice Chair Vealitzek and members Carlson, Didech, Pedersen, Wasik, and Wilke. Most importantly, I hope you will join me in thanking our Finance team led by Chief Financial Officer Patrice Sutton for the months of work to prepare, present, revise, and finalize our 2020 budget.

Wellness Triage

There were several meetings this month regarding a Wellness Triage Center for Lake County. Sub-committees meet to discuss the Target Population, Pathways to and from a Center, Programming, Data, and others. Behavioral health providers, law enforcement,

and members of the judicial system have been collaborating on what's needed to deliver services to the high risk-high need population that often end up homeless, our emergency rooms, and/or the jail. If you are interested in participating in any of these workgroups please contact Donna Jo Maki.

OTHER MEETINGS OF NOTE

*Illinois EPA listening session re: Coal Ash Pollution Prevention Act
Break the Stigma: A Mental Health Discussion
Coalition to Reduce Recidivism Luncheon with Member Kyle
Lake County Partners Operations
Metra meeting with Member Rummel
Crisis Center sub-committee meetings
American Bar Association Foundation Award honoring Don Morrison for his work with Vice Chair Cunningham on Drivers License Reinstatement
Numerous 1:1 meetings with countywide elected officials
Liquor Commission Hearing with Members Pedersen, Carlson, and Danforth
J-Team meeting
Milburn bypass celebration with Member Pedersen
Naval Base Recruit graduation and meeting with Captain Leung
Meeting with Kevin Considine, President of Lake County Partners
Meeting with Lake County United
Transit Team meeting with Member Durkin
Census 2020 meeting with Members Martini and Wilke
Gurnee Mayor's breakfast with Member Carlson*

IMPORTANT UPCOMING MEETINGS

*Drug Court graduation on 11/13
HCDC Grant Awards on 11/13
County Administrator Search Committee meeting on 11/14
IEPA Public Meeting on a Vantage permit on 11/14
LCTA Annual Meeting on 11/15*

OLD BUSINESS

NEW BUSINESS

CONSENT AGENDA (Items 4 - 42)

A motion was made by Member Barr to remove items 11, 12, 13 and 14 from the Consent Agenda.

HEALTH AND COMMUNITY SERVICES COMMITTEE44 [19-0099](#)

Board of Health Report.

Ethylene Oxide Update

The Health Department continues to address concerns of ethylene oxide (EtO) emissions from Medline Industries in Waukegan and Vantage Specialty Chemicals in Gurnee.

In partnership with the Illinois EPA, the Village of Gurnee and City of Waukegan, the Health Department resumed outdoor air monitoring the week of October 21, 2019.

Monitoring is being conducted for a 90-day period, with samples being collected every third day from 12 locations and will conclude at the end of January 2020.

Once received, the results from the extended testing period will be posted to the Health Department's website, www.lakecountyil.gov/eto, and forwarded to the appropriate state and federal agencies.

Now is the Time for Flu Vaccination

According to the Centers for Disease Control and Prevention, a total of 136 children in the United States died from influenza and its complications during the 2018-2019 season.

Everyone ages 6 months and older should get a flu vaccination every year.

As you prepare to visit loved ones over the holidays, add getting a flu vaccination to your to-do list. It takes about two weeks after getting the flu shot for you to be protected.

Many retail clinics, pharmacies, and individual healthcare providers provide flu shots. To find a convenient location to get your family's flu vaccinations, visit vaccinefinder.org.

The Health Department also offers the flu vaccine by appointment at its Community Health Centers throughout Lake County. To make an appointment, call (847) 377-8800.

E-Cigarettes and the Smoke-Free Illinois Act Survey

The Health Department is asking residents to participate in the E-Cigarettes and the Smoke-Free Illinois Act Survey regarding e-cigarettes (or vapes) and their use in public places.

The survey includes questions about perception of harm, flavored e-cigarette and tobacco products, and willingness to support legislation.

In 2017, the Health Department surveyed 1,306 youth and adult residents of Lake County on topics related to tobacco control. Results indicate that Lake County residents are concerned about the health effects associated with e-cigarettes, secondhand vapor, and youth access to tobacco products. In addition, 75 percent of survey respondents supported prohibiting the use of e-cigarettes indoors and in public places.

The survey will remain open through November 30, 2019. To take the survey and to learn more, visit the Health Department website.

World AIDS Day Event on December 1

The Health Department is planning a World AIDS Day event on Sunday, December 1 from noon-2:00 p.m. at the Family Piano Company, 118 S. Genesee Street, Waukegan.

The theme of the event is "Rock the Ribbon – Communities Make the Difference."

The event is free and open to the public, and will feature interactive art exhibits, a candle-lighting ceremony, and information on the Illinois Getting to Zero plan, which aims to see zero new HIV infections in Illinois and zero people living with HIV who are not on treatment by 2030.

All are welcome to attend to learn about the AIDS epidemic, remember those who have lost their lives to the disease, and “Rock the Ribbon” – wear a red ribbon to show your support and to stand against HIV stigma and discrimination.

The Health Department’s Need2Know program serves over one-third of people living with HIV in Lake County by providing linkage to care and services, and offers free HIV testing at 2400 Belvidere Rd., Waukegan. For information please call (847) 377-8450.

Avoid Bats to Protect Yourself from Rabies

So far in 2019, the Health Department has submitted 39 bats to the Illinois Department of Public Health for testing, of which three tested positive for rabies (two in Antioch, one in Highland Park).

Bats are commonly encountered during the fall because of their migration and search for winter quarters in places like attics. Bats are generally not a threat and are highly beneficial animals as they feed exclusively on insects. However, they can carry the rabies virus which can be fatal to humans and animals.

Do not touch bats or attempt to remove them from your home. Report bats to Animal Care and Control by calling (847) 377-4700.

Do not feed, touch, or adopt wild animals or stray dogs and cats. Teach children to never handle unfamiliar animals, even if they appear friendly. Contact the Health Department if you encounter sick or injured wildlife as well as wildlife within your home.

Vaccinate your pets and do not allow them to roam free. If bitten by a rabid bat, pets may develop rabies and present a risk to humans. Contact your veterinarian to schedule a vaccination appointment.

Safeguard your home. Bats can enter existing holes as small as 3/4 inch in diameter. Cover and seal possible access routes, especially around chimneys, vents, doors, windows, and plumbing.

Seek immediate medical attention if you have been bitten or exposed to a bat.

Lake County Partners Report.

Manufacturing Continues to Boom in Lake County

Fischer Paper Products, a third-generation advanced manufacturer in Antioch, celebrated the company's decision to expand in Lake County at a groundbreaking with local leaders. The Fischer Paper team worked closely with Lake County Partners and the Village of Antioch to assess opportunities for growth before choosing to construct a state-of-the-art 162,000 sq. ft. facility in the Antioch Corporate Center. The company considered locations outside of Lake County, but decided to remain because of the strong local talent pipeline, and the Workforce Ecosystem's ability to work together in delivering the skilled workforce that the company needs to grow.

In Wauconda, advanced manufacturer Synergy Flavors just expanded its U.S. headquarters to update existing facilities and construct a new 40,000 sq. ft. LEED Gold-certified office building that puts sustainability at the forefront with: solar roof panels, native prairie-style landscaping, bike racks and fuel-efficient preferred parking and open, naturally-lit workspaces. The company is also gearing up for an expansion of its Research and Development unit in Wauconda as well. Synergy Flavors has had a long-standing relationship with the Workforce Ecosystem, having met with Lake County Partners several

times since 2015 to receive assistance with workforce development. Lake County Partners also made a connection with the Workforce Development Department to help the company tap into the Incumbent Worker Training program.

Spurred on by a thriving local industrial market, Bridge Development Partners recently broke ground on Phase III of the Bridge Point North project in Waukegan, which will consist of four new buildings totaling near 920,000 sq. ft. This phase is the final addition to a 225-acre master planned campus that has solidified Lake County as the industrial market's location of choice.

*Businesses Can Recycle Electronics for Free in Lake County this Month
SWALCO is hosting an electronics recycling event for businesses at the Lake County Public Works Garage in Libertyville on Tuesday, November 12th from 8 a.m. – 12 p.m. Most electronic items will be accepted free of charge with a business ID, with the exception of televisions and CRT monitors, which can be recycled at a nominal fee. For additional information, visit www.swalco.org*
