3. Chair's Remarks

Chair Hart welcomed the group and thanked them for attending. She reviewed the significance of the group and stressed the importance of collaborating and encouraging others to participate in 2020 Census Committee. Individuals introduced themselves.

4. New Business**4.1 [19-1616](#)**

Presentation by US Census Bureau.

Each member of the group was given a packet of training materials. Su Eimer and other representatives from the United States Census Bureau Partnership Team provided a presentation regarding the 2020 Census overview and the need to identify hard to count demographic populations. A breakout session occurred, allowing the group to strategize on which organizations and areas would be best suited to reach the hard to count demographic population. Substantial discussion ensued regarding how census data will

be used and how to reassure reluctant individuals that their information will not negatively impact them.

A presentation was provided by the US Census Bureau.

5. Adjournment

The meeting was adjourned at 3:05 p.m.

Next Meeting: To Be Determined

Minutes prepared by Blanca Vela-Schneider.

Respectfully submitted,

Chair
