Meeting Minutes - Final

Tuesday, May 12, 2020

9:00 AM

Live-streamed at <http://lakecounty.tv/>, on Comcast's Channel 18 or 30 (depending on where you live) & AT&T UVerse Channel 99

Lake County Board

To comply with social distancing requirements and Governor Pritzker's stay-at-home order, this meeting will be live-streamed at <http://lakecounty.tv/> and on Comcast's network, Channel 18 or 30 (depending on where you live) and AT&T Channel 99.

Public comments are welcomed and encouraged. Public comments received by 9:00 a.m., Tuesday, May 12, 2020 will be read at the beginning of the meeting under Public Comment in the order they are received. Comments received during the meeting will be held until the end of the meeting. Please note: A total of 30 minutes will be permitted for Public Comment and no more than three minutes per public comment pursuant to the County Board Rules of Order and Operational Procedures. All comments received will be included in the Committee's meeting minutes regardless of whether they are read aloud at the meeting.

PUBLIC COMMENTS shall be emailed to CountyBoard@lakecountyil.gov with the following information:

- * **Subject Title:** Lake County Board Public Comment
- * **Name**
- * **Street Address (Optional)**
- * **City, State (Optional)**
- * **Phone (Optional)**
- * **Organization, agency, etc. being represented. (If representing yourself, put "Self")**
- * **Topic or Agenda Item Number followed by Public Comment.**

Public with no access to email may leave a message with the County Board Office at 847-377-2300.

CALL TO ORDER

Chair Hart called the meeting to order at 10:00 a.m.

MOMENT OF SILENCE

PLEDGE OF ALLEGIANCE

Member Barr led the Board in the Pledge of Allegiance.

ROLL CALL OF MEMBERS

Present 21 - Chair Hart, Vice Chair Cunningham, Member Altenberg, Member Barr, Member Carlson, Member Clark, Member Danforth, Member Durkin, Member Hewitt, Member Kyle, Member Maine, Member Martini, Member Paxton, Member Pedersen, Member Rummel, Member Frank, Member Simpson, Member Wasik, Member Wilke, Member Vealitzek and Member Taylor

ADDENDA TO THE AGENDA

SPECIAL RECOGNITION**PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)**

Public comment was made by:

Sandra Paulson

Randy Kobat

Leslie Ulibarri

Molly Wolfe

Charles M. Denison

CHAIR'S REMARKS

Please find my report since the last County Board meeting on March 10, 2020. I am honored to serve you as Chair of the Lake County Board and I look forward to working with you and continuing our efforts on bipartisan policies and legislative matters.

Emergency Declaration

The Lake County Board met on May 1st to extend declaration of emergency due to COVID-19 for Lake County. This extension will expire on May 30th, or earlier if the Governor of Illinois lifts the State's declaration of emergency. This: triggers the rollout of the Emergency Management Center, which coordinates the countywide response to the disaster; allows Lake County to apply for, and receive, state and federal grants and funding, which includes Personal Protection Equipment. To date over one million pieces of PPE has been distributed; allows the chair to take swift, emergency action to respond to COVID 19, such as the rental of space for the Coroner's Office

Please note that the county does NOT have the authority to make any changes to the Governor's Emergency Order, which covers the state of Illinois.

COVID-19 Response

Staff has been working 24/7 on government operations and responding to the pandemic. Including continuing to deliver key services to the residents of Lake County. This afternoon more information will be released on Restore Lake County, a countywide initiative developed to prepare for Lake County's eventual recovery. Please note that this recovery plan must adhere to Governor Pritzker's Restore Illinois plan, which can be found at coronavirus.illinois.gov and was released on May 5.

Business financial assistance is still available through federal and state government programs, such as the Paycheck Protection Program (PPP) from the Small Business Administration. These 1% interest loans are potentially forgivable. As of May 7th, there was \$125 billion dollars still available. Application for the PPP must go through your banking partner, or a handful of online financial firms.

I want to thank Joe Roth, Local Governmental Affairs Director for Mainstreet Organization

of Realtors of Lake County, for the email he sent to all board members yesterday, outlining what homeowners who are struggling or unable to meet loan obligations can do. The document he shared urges people to work with housing experts and lenders now to find a solution. Don't wait until you fall behind to seek help. Acting quickly may help you keep your home and the money you have already invested into it. Included in the document are several strategies, such as forbearance, reinstatement, repayment plans, and loan modifications. The U.S. Department of Housing and Urban Development (HUD) website has a list of approved counseling organizations. Interested residents can visit www.hud.gov/counseling, or call HUD at (800) 569-4287.

Town Hall

The Virtual Town Hall was extremely successful and I wish to thank all the staff who worked hard to make it happen, especially the Joint Information Center team and the panelists: Mark Pfister, Andrew Tangen, Donny Schmit, and Kevin Considine. Important information was shared about how Lake County government agencies, including the Lake County Municipal League, are working together to support residents and fight this pandemic. Over 800 people were in attendance, and staff is following up with an FAQ document since we ran out of time to answer all the questions.

During the town hall Thursday night a link to the Lake County Sheriff's Office online reporting tool was posted in response to a question that was shared with the Communications team via the Chat feature in the Zoom call. Thank you to Member Barr and Member Maine for bringing this to my attention at Committee of the Whole on Friday. I was unaware of it: as panelists, our screen is different from what attendees see.

There have been a few calls and emails about this, so I want to provide some factual information for Board Members:

In a call this morning, Chief of Staff Vega shared that this online reporting tool, created in mid-March and shared to the county board on April 6, is extremely important to steer traffic away from the 911 call center.

To date, the LCSO has not issued any tickets and have been giving friendly reminders and warnings. When following up, most calls were unfounded and if not, there was voluntary compliance.

SAO Nerheim also has a statement on the home page directing people to this tool. Names of people making complaints have not, and will not, be released to the public per the guidelines of the state of Illinois. This was not the case in the state of Washington, in which names were released and people have been threatened and harassed.

2020 Census

The importance of the 2020 Census cannot be overstated, especially now. It is critical that every person be counted, as federal funding relies on the census data. Lake County's self-response rate is 69%. Please continue to work with your local government and non-government agencies to increase the number of people responding to the census. To

see the tracking, please visit 2020Census.gov and click on Get the Facts.

HEALTH AND COMMUNITY SERVICES COMMITTEE**Board of Health Report**

Coronavirus Disease 2019 (COVID-19):

The Health Department is constantly monitoring the COVID-19 pandemic, assessing the needs of our community, and working closely with community partners to address those

needs.

As of Friday, May 8, there were 5,046 cases and 164 deaths in Lake County.

The Health Department is providing guidance and direct support to all long-term care facilities in Lake County to help prevent cases and slow the spread of infection among this vulnerable population. There are 38 long-term care facilities in the county that have two or more positive cases, and these 38 facilities have a combined total of 784 confirmed COVID-19 cases and 109 deaths.

People with COVID-19 have had a wide range of symptoms, which may appear 2-14 days after exposure to the virus. Common symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell. Older adults and people who have severe underlying medical conditions like heart or lung disease, asthma, or diabetes are at higher risk for developing more serious illness from COVID-19.

If you are experiencing symptoms of COVID-19, please contact your healthcare provider.

Testing is available at many healthcare locations throughout the county.

On May 3, the State opened a drive-thru Community-Based Testing Site in Waukegan (2161 Northwestern Avenue.)

The site is open 7 days a week from 8 a.m. until 4 p.m. or until 750 tests are completed each day.

The Illinois National Guard administers the tests, and results are provided by phone in 4-7 days.

Testing is free, and available to anyone regardless of immigration status.

A name and phone number are required in order to receive testing results.

Demand is high, so please expect long wait times.

All residents are urged to follow the Governor's stay-at-home order, wear a cloth face covering when going out for essential items like food and medicine, and keeping a distance of at least 6 feet from others when outside the home.

Continue to take "everyday preventive actions" to help prevent the spread of illness – wash your hands often, cover your coughs and sneezes, and stay home as much as possible and especially if you are sick.

The Health Department has a COVID-19 webpage that includes daily updates, how to protect yourself, what to do if you are sick, information on testing, an interactive data hub, how to get help and ways you can help others. The website is www.lakecountyil.gov/coronavirus.

The Health Department also sends daily updates and a weekly email newsletter in English and Spanish. You can sign up to receive these emails on the website.

Anyone with questions on COVID-19 can email COVID19@lakecountyil.gov or contact the Illinois Department of Public Health's COVID-19 hotline, available via phone:

1-800-889-3931 or email: DPH.SICK@ILLINOIS.

Respiratory Illness Clinic in North Chicago

The Health Department continues to care for patients and clients during this time, and modifications have been made to protect everyone's health and safety.

Services are being provided over the phone or virtual telehealth when possible, and social

distancing measures have been put in place at all locations.

The Health Department has opened a Respiratory Illness Clinic at its North Chicago Health Center, located at 2215 14th St, North Chicago. The clinic is open Monday through Friday, 8 a.m. to 5 p.m., and Saturdays 8 a.m. to 4 p.m. Appointments are recommended, and can be made by calling (847) 377-8800.

COVID-19 testing is available by appointment for Community Health Center patients with symptoms. A telehealth screening must be completed to determine if testing criteria are met.

Any residents who do not have a healthcare provider or insurance can contact the Health Department if they wish to become a patient.

For a full list of Health Department service modifications during the COVID-19 pandemic, visit www.lakecountyil.gov/healthclosures.

Ethylene Oxide Update

The Health Department, in partnership with the Village of Gurnee and City of Waukegan, continues to address concerns of ethylene oxide (EtO) emissions from Medline Industries in Waukegan and Vantage Specialty Chemicals in Gurnee.

The final phase of outdoor air monitoring concluded on May 2, 2020, and the Health Department is awaiting the final sampling results. These results will be posted to the Health Department's website at www.lakecountyil.gov/eto when they are received.

Results will be sent to the U.S. Environmental Protection Agency (EPA), Agency for Toxic Substances and Disease Registry (ATSDR), Illinois Department of Public Health (IDPH), and Illinois Environmental Protection Agency (IEPA) which has regulatory authority over EtO emissions permitting in Illinois.

The ATSDR has agreed to conduct a health risk assessment for Lake County based on the results, and IDPH has agreed to complete a cancer incidence study that includes Lake County. These assessments are expected to take several months.

May is Mental Health Month

While 1 in 5 people will experience a mental illness during their lifetime, everyone faces challenges in life that can impact their mental health.

There are simple things that every person can say or do to help the people in their life who are struggling to get through the tough times.

Healthy routines in your diet, sleep, and exercise can improve your mental and physical health, and also keep your immune system strong.

During the COVID-19 pandemic, it is especially important to reach out to friends, family, or even neighbors to lend your support and ask for help when you need it. Strong social support improves overall mental health outcomes and a person's ability to bounce back from stressful situations.

If you notice that your friend or loved-one continues to struggle after weeks or months, they may be showing signs of a mental health condition and likely need professional help.

Don't be afraid to encourage them to seek help from a mental health professional and offer to help them find a provider if needed.

If someone you care about is in immediate danger of taking suicidal action, seek help by calling 911 or going to the closest emergency room.

The Health Department continues to offer mental health support through its Crisis Care hotline, available 24/7 at (847) 377-8088. Services are free and confidential.
