

Lake County Illinois

*Lake County Courthouse and Administrative Complex
18 N. County Street
Waukegan, IL 60085-4351*

Meeting Minutes - Final

Tuesday, August 9, 2022

9:00 AM

**Board Room, 10th Floor or register to virtually attend at
<https://bit.ly/3zvTYy4>**

Lake County Board

PUBLIC ATTENDANCE: The public can attend Lake County Committee and Board meetings (two options):

- (1) In-person attendance is on the 10th Floor of the County Administrative Tower (9th Floor, if necessary), 18 N. County Street, Waukegan, Illinois
- (2) Remote / virtual attendance through registration at the link on the front page of this agenda.

PUBLIC VIEWING: This meeting will be recorded and live-streamed at <http://lakecounty.tv/> and on Comcast Channel 18 or 30 and AT&T Channel 99.

RECORDING: Meetings, to include Public Comment, will be recorded.

PUBLIC COMMENT: The public will be afforded time to comment on matters related to the business of the County Board. A total of 30 minutes will be permitted for Public Comment and no more than three minutes per comment. In general, Public Comment on items not on the agenda will be presented near the beginning of the meeting. Public Comment on agenda items may be presented during consideration of that item.

Individuals attending in-person or remotely may present their Public Comment during the meeting. Individuals not in attendance may provide written Public Comment that must be received by 3:00 p.m. the day prior to the meeting (emailed to PublicComment@Lakecountyil.gov or delivered to the County Board Office 18 N. County Street, Waukegan, Illinois (10th floor)). Public Comment will proceed in the following order: (1) Public Comment by individuals in attendance on the 10th Floor, (2) Public Comment by individuals who registered via the link on the front page of the agenda and are attending remotely / virtually, and then (3) written comments.

Individuals providing Public Comment will provide the following information:

- * Meeting: Lake County Board (Subject line for written Public Comment)
- * Name (REQUIRED)
- * Topic or Agenda Item # (REQUIRED)
- * Street Address, City, State (Optional)
- * Phone Number (Optional)
- * Organization/Agency/etc. Represented (If representing yourself, put "Self")

* * *To view County Board Rules, click here: <https://bit.ly/3idRdrV> * * *

CALL TO ORDER

Chair Hart called the meeting to order at 9:00 a.m.

MOMENT OF SILENCE**PLEDGE OF ALLEGIANCE**

Member Pedersen led the Board in the Pledge of Allegiance.

ROLL CALL OF MEMBERS

Vice-Chair Cunningham, Members Parekh and Wasik participated electronically. They were marked present and eligible to vote.

Present 18 - Member Altenberg, Member Casbon, Member Clark, Member Danforth, Member Frank, Chair Hart, Member Hewitt, Member Hunter, Member Kyle, Member Maine, Member Parekh, Member Pedersen, Member Roberts, Member Sbarra, Member Snarski, Member Vealitzek, Member Wasik and Member Wilke

Absent 3 - Member Barr, Vice Chair Ross Cunningham and Member Simpson

Members Barr and Simpson arrived after Roll Call had been taken.

Vice-Chair Cunningham arrived at 10:36 a.m.

ADDENDA TO THE AGENDA**SPECIAL RECOGNITION AND PRESENTATIONS****1 [22-1080](#)**

Special recognition proclaiming August 2022 as Celebrate Diversity Month.

This matter was presented

PUBLIC COMMENT (ITEMS NOT ON THE AGENDA)

Public Comment was made by:

Gary Brown of Antioch

Raafat Seifeldin of Lake Forest

Ken Endress, representing Great Lakes Naval Station

CHAIR'S REMARKS

Happy to announce that Kurt Woolford has received the 2022 Government Civil Engineer Award for the State of Illinois by the American Society of Engineers. This award recognizes professional accomplishments and unique contributions to the civil engineering profession or community. The recipient must:

Sustained outstanding engineering achievement in the public sector.

Service to the advancement of the Civil Engineering profession.

Improving the conditions under which engineers serve in public practice.

Involvement in professional and technical societies.

Civic and humanitarian activities (community service).

Professional guidance to future and junior civil engineers.

Kurt is involved in communities and agencies outside of his work as well. He attends Friends of the Chicago River fundraisers and events and participates in their

environmental clean up days, and actively promotes others to attend and support their work. He is a committee member of the Stormwater Institute of the Water Environment Federation. Under Kurt's leadership, SMC has a robust internship program. Because of the welcoming and growth-mindset environment Kurt has fostered within SMC, three interns became full time SMC employees. We've placed other interns in other agencies across the region.

Legistar: We continue to have issues with Legistar. It is a national issue. I apologize to members of the board and the public.

Brookings event: I attended a meeting with the City of Chicago, Cook County, and the collar counties regarding efforts toward a regional solution to economic development for the Chicagoland area. Kevin Considine spoke about this at the F&A meeting last week, and I look forward to seeing more details to ensure that Lake County will continue to be the go-to county for companies interested in the medical field, bio-technology, etc.

ARPA meeting (virtual): We held our virtual ARPA meeting also led by Paul Frank. As a reminder, transportation is not an eligible use for ARPA.

Met with Ann Maine and Bud Rothing, Mayor of Bannockburn.

US Senate Judiciary: I was invited by Senator Durbin to hear first hand testimony from Mayor Rotering. I attended with Paul Frank as well as several residents and members of the Highland Park City Council.

Coalition to Reduce Recidivism: I attended a luncheon with Vice Chair Cunningham. We heard from formerly incarcerated individuals about how they turned their lives around with the help of the Coalition.

Gun Violence town hall in Greenbelt: Led by State's Attorney Rinehart. I attended along with Angelo Kyle, Vice Chair Cunningham, and Gina Roberts.

Liquor Licenses: Denied Scooters a liquor license. It is the third denial – one in 2016, one in 2020, and one in 2022. In reviewing our records, there is no other establishment in Lake County that has had as many violations for serving to minors in twenty years.

Committee of the Whole: I want to thank board members for attending the COW meeting we held last Friday. We were honored to be joined by High;and Park Mayor Nancy Rotering, North Chicago Mayor Leon Rockingham, Chris Patterson, Assistant Secretary of Illinois Department of Human Services, Office of Firearm Violence Prevention, Sara Knizhnik, Chair - Gun Violence Prevention Initiative, Lake County State's Attorney's Office.

We heard about how gun violence affects communities – from holding community events,

mental health, law enforcement, restrictions on curfews, all things that impact budgets, like North Chicago's spot shotter and license plate readers. I am really grateful to them for the leadership they have shown their community, and the rest of us, as they tackle this problem and speak out on what needs to change to keep residents safe and protect freedoms.

The final community input night will be held in person on Wednesday, Aug. 10 from 5 to 7 p.m. at the Round Lake Beach Civic Center, 2007 Civic Center Way. This event is open to the public to give residents an opportunity to learn more, share information, and provide their input. No registration is required.

All Lake County residents are encouraged to complete the online survey to provide their input.

As a reminder, Lake County has already committed \$71 million in ARPA funding. The County continues to appropriate ARPA funds to meet immediate response needs, such as food distribution and housing programs needed in response to COVID-19. All ARPA money must be allocated by the end of 2024 and spent by the end of the 2026. Learn more at LakeCountyIL.Gov/ARPA.

Years of Service Breakfast will be held on 8/11.

Zion Power station: I want to thank our Chief County Assessment Officer Bob Glueckert, for his hard work on this. The value of the site continues to erode, and obviously this impacts the taxes that Constellation Energy Generation must pay. Through Bob's leadership, and working with Constellation energy, the taxing bodies have met to try to offset the impact that this has on the taxpayes of Zion. If this is passed by the Board and the other taxing bodies, it will need to be approved by the 19th Judiicial Circuit before the agreement becomes effective. Still waiting for one taxing body – North Shore Water Reclamation District.

Angelo Kyle has been appointed to the Finance Committee: Thanks to Jennifer Clark for her many contributions.

Agency for Toxic Substances and Disease Registry Report re: ETO. We are still waiting for the report from the EPA regarding EtO here in Lake County, but some promising news was received last week when an EPA press release stated that they would begin outreach with communities where the risk from EtO is the highest. No communities were listed in Illinois. We continue to wait for the report from the Agency for Toxic Substances and Disease Registry. ATSDR has completed a draft health consultation report on the EtO concentrations in ambient air near Medline Industries and Vantage Specialty Chemicals in Lake County. The report is currently going through formal Agency review. We anticipate the health consultation report to be released to the public in early fall.

HEALTH AND COMMUNITY SERVICES COMMITTEE

31 [22-1127](#)

Board of Health Report.

Coronavirus (COVID-19) Updates

As of August 3, 2022, Lake County has had over 151,966 confirmed COVID-19 cases and 1,417 deaths throughout the pandemic. Lake County's recovery rate is 99.1%. Lake County is one of many Illinois counties that continue to be at a "high" community level. This results from an increased rate of COVID-19 cases, which is currently at 288.14 per 100,000 residents, and new COVID-19 hospital admissions, which is at 12.5 per 100,000 residents. When a county is at a "high" community level, the CDC recommends:

Wearing a mask indoors in public

Staying up to date with COVID-19 vaccines

Getting tested if you have symptoms

Considering taking additional precautions if you are at high risk of severe illness

Coronavirus (COVID-19) Vaccine Updates

As of August 3, 2022:

Over 261 million people, or 78.8% of the U.S population, have received at least one dose of a COVID-19 vaccine.

Over 223 million people, or 67.2% of the U.S. population, are fully vaccinated.

Over 107 million people, or 48.2% of the fully vaccinated population, have received a booster dose.

Nearly 84.2% of all eligible Lake County residents, ages 5 years and older, are fully vaccinated.

On July 19, 2022, the CDC updated its COVID-19 vaccine recommendations following the FDA's authorization of the Novavax COVID-19 vaccine for emergency use authorization for adults 18 years and older. The Novavax COVID-19 vaccine has two doses in its primary series, given three weeks apart. It has been found to be over 90% effective in preventing mild, moderate, or severe COVID-19.

COVID-19 vaccination remains our best path forward to ending the COVID-19 pandemic. We encourage residents to explore their options for COVID -19 vaccines and boosters.

Monkeypox Update

On August 1, 2022, Governor J.B. Pritzker declared monkeypox a public health emergency. The State will expand its resources and coordination efforts in responding to, treating, and preventing the spread of monkeypox. This announcement came just over a week after the World Health Organization (WHO) declared the outbreak as a Public Health Emergency of International concern, the WHO's highest level alert that it can raise. As of August 1, 2022, there are 5,811 cases of monkeypox (MPV) in the United States, 520 of which are in Illinois. Lake County has 6 confirmed cases and 1 probable case of MPV and the Health Department has vaccinated nearly 200 high risk contacts or patients. Find more information on Monkeypox at www.lakecountyil.gov/4713/Monkeypox

Health Department Joins Network of Milk Depots throughout Illinois

On August 3, 2022, the Health Department celebrated its partnership with Mothers' Milk Bank of the Western Great Lakes (Milk Bank WGL). The Health Department joins a network of Milk Depots throughout Illinois and Wisconsin providing a place people can donate breastmilk to support babies and families in need. Those interested in donating breastmilk to vulnerable infants go through a screening process with the Milk Bank and once they have a donor number, they can call Health Department's Milk Depot to schedule a donation drop-off. For more information, visit the Mother's Milk Bank of the Western Great Lakes website at www.milkbankwgl.org.

Get Back on Track with Routine Vaccinations

August is National Immunization Awareness Month (NIAM). This annual observance highlights the importance of getting recommended vaccines throughout your life. During NIAM, we encourage Lake County residents to talk to their doctor, nurse, or healthcare provider to ensure they are protected against serious diseases by getting caught up on routine vaccination.

End Overdose

August 31 is International Overdose Awareness Day, a day to remember those lost, acknowledge the grief of those left behind, and fight to end overdose. North America experiences the highest drug-related mortality rate in the world. Help is available. The Illinois Helpline is a statewide resource for substance use treatment and recovery services. Services are free, confidential, and available to anyone 24 hours a day. Call 833-2FINDHELP or text "HELP" to 833234.

Lake County also offers harm reduction services, including free naloxone, a life-saving medication that can reverse an opioid overdose. Call (847) 377-8450 or visit www.lakecountyil.gov/harmreduction for more information.

LEGISLATIVE COMMITTEE**32** [22-1123](#)

Resolution amending the Lake County Fiscal Year 2022 Legislative Agenda to include a new State or Federal Initiative to Support related to Firearm Regulations.

Lake County Partners Update.

MEDLINE CUTS RIBBON ON FLAGSHIP DISTRIBUTION CENTER

Medline and Lake County Partners recently co-hosted a ribbon cutting ceremony to celebrate the opening of the company's new 1.4 million-square-foot, LEED-certified distribution center in Grayslake, Illinois — estimated to be the largest medical-grade distribution center in the country. Medline has operated in Lake County for 50 years, and this investment reflects a commitment to further growth in the community.

The \$125 million facility will handle more than \$1 billion in annual orders and distribute thousands of products to healthcare providers across a continuum of care. It has created an initial 350 new jobs, with a total of 700 at full capacity.

This new Medline facility is an anchor at Cornerstone - one of the largest master-planned projects in the country. Upon completion, the development will offer 3 million sq. ft. of light industrial, R&D and logistics space and leverage Lake County's incredible talent, location, infrastructure and competitive costs.

MANUFACTURING MATTERS HOSTS EVENT IN LAKE COUNTY

The Illinois Manufacturers' Association (IMA) recently released a new economic impact study to measure the industry's significant contributions to the local economy. In Lake

County, the study found that advanced manufacturing creates \$48.4 billion in economic output each year, supporting an estimated 31% of the county's economy. Much of this is concentrated on pharmaceutical, plastic product and medical equipment production. This includes 98,949 jobs, which is among the highest concentration of manufacturing jobs in the state. Manufacturers generate \$12.2 billion in salaries and benefits in Lake County, with the average manufacturing employee making an annual salary of \$160,968. To raise awareness of these important findings, Lake County Partners is collaborating with IMA to co-produce a "Manufacturing Matters" press event, to be held later this week.
