Attachments: [15-0623 DRPWRF Williams Bros Bid Tab](#)

Public Works Director Peter Kolb reported the contract with Williams Brothers Construction Inc. is for construction of the Des Plaines River Water Reclamation Facility. The bid came in at the engineer's estimate.

A motion was made by Member Pedersen, seconded by Member Mathias, that this

item be approved and referred on to Financial and Administrative Committee. The motion carried by the following vote:

Aye: 8 - Chair Thomson-Carter, Vice Chair Sauer, Member Durkin, Member Hewitt, Member Mathias, Member Pedersen, Member Taylor and Member Werfel

Absent: 1 - Member Maine

7.3 [15-0622](#)

Joint resolution authorizing an agreement for professional services with Applied Technologies, Inc., Lake Villa, Illinois, in the amount of \$2,164,713, for construction related engineering services associated with the Des Plaines River (DPR) Water Reclamation Facility (WRF) Phase 2B and 3 Improvements Project.

Attachments: [15-0622 DPRWRF Applied Technologies Agreement](#)

Public Works Director Peter Kolb reported engineering services will take two years to complete. The work includes significant construction and inspection services. The biosolids dryer will allow Class A biosolids to be used in Lake County as a supplement to the black dirt used on Public Works and Division of Transportation Projects.

A motion was made by Member Durkin, seconded by Member Werfel, that this item be approved and referred on to Financial and Administrative Committee. The motion carried by the following vote:

Aye: 8 - Chair Thomson-Carter, Vice Chair Sauer, Member Durkin, Member Hewitt, Member Mathias, Member Pedersen, Member Taylor and Member Werfel

Absent: 1 - Member Maine

7.4 [15-0616](#)

Joint resolution authorizing an agreement with Christopher B. Burke Engineering, Ltd., Rosemont, Illinois, in the amount of \$93,100, for design engineering services for the East Main Pump Station Project.

Attachments: [15-0616 East Main Pump Station Eng. Design Agreement PW2010.042](#)

Public Works Director Peter Kolb reported the East Main Pump Station pumps sewage from the Round Lakes communities. The pump station facility requires major renovations to ensure the system continues to operate efficiently and safely. The renovation is estimated to cost between \$2,500,000 and \$3,000,000 and will take four to six months to complete. The project will go out to bid next year with construction anticipated to begin in Spring 2016. Upon inquiry from Chair Thomson-Carter, staff will continue to monitor odor control at the site.

A motion was made by Member Hewitt, seconded by Member Mathias, that this item be approved and referred on to Financial and Administrative Committee. The motion carried by the following vote:

Aye: 8 - Chair Thomson-Carter, Vice Chair Sauer, Member Durkin, Member Hewitt, Member Mathias, Member Pedersen, Member Taylor and Member Werfel

Absent: 1 - Member Maine

7.5 [15-0614](#)

Joint resolution authorizing an agreement with Applied Technologies, Lake Villa, Illinois, in the amount of \$116,500, for design engineering services for the Wilson Road and Rollins Road Sewer and Structure Rehabilitation Project.

Attachments: [15-0614 Wilson Rd and Rollins Rd Sewer and Structure Rehab Engineerir](#)

Public Works Director Peter Kolb reported that during a routine inspection, it was discovered the 42 inch interceptor sewer along Wilson Road and Rollins Road is deteriorating. The contract is for design engineering services to determine whether the line needs to be repaired or replaced. The line is in the middle of an intersection and will require collaboration of different agencies.

A motion was made by Member Taylor, seconded by Member Pedersen, that this item be approved and referred on to Financial and Administrative Committee. The motion carried by the following vote:

Aye: 8 - Chair Thomson-Carter, Vice Chair Sauer, Member Durkin, Member Hewitt, Member Mathias, Member Pedersen, Member Taylor and Member Werfel

Absent: 1 - Member Maine

7.6 [15-0627](#)

Joint resolution authorizing an agreement with the Des Plaines River Watershed Workgroup (DRWW).

Attachments: [15-0627 DRWW Agreement with Bylaws](#)

Public Works Director Peter Kolb introduced Mike Warner of Stormwater Management. The County has been participating in the Des Plaines River Watershed Workgroup (DRWW). An annual budget has been recommended by the DRWW with each participant paying dues to support the budget. The parties have determined a cooperative agreement is needed to define the structure of the DRWW. The County's portion is \$220,000. Lake County Stormwater Management will act as the administrative agent for the DRWW for entering into contracts, making payments as directed by the Executive Board, receiving dues and/or grants or other revenue, and providing for the financial accounting and reports required by the agreement.

A motion was made by Member Mathias, seconded by Member Taylor, that this item be approved and referred on to Financial and Administrative Committee. The motion carried by the following vote:

Aye: 8 - Chair Thomson-Carter, Vice Chair Sauer, Member Durkin, Member Hewitt, Member Mathias, Member Pedersen, Member Taylor and Member Werfel

Absent: 1 - Member Maine

7.7 [15-0626](#)

Presentation of the fiscal year (FY) 2014 audit for the Public Works Enterprise Fund.

[15-0626 LCPW Northeast Central AUP Report](#)
[15-0626 LCPW Northwest AUP Report](#)
[15-0626 LCPW Southeast AUP Report](#)

Public Works Director Peter Kolb introduced John Andres, Jodi Dopson, and Ryan O'donnell of Baker Tilly.

Mr. Andres indicated the audit for Public Works was reviewed and a summary of the key points is provided. The County is selling less water and, in turn, generating less revenue. The treatment of waste water is also trending downward. However, operations and maintenance expenses have decreased. The County's policy requires a \$4,500,000 reserve on unrestricted cash but in reality, the County's reserve of \$28,000,000 is approximately 11 months of operating expenses. It was noted that a portion of these unrestricted funds are earmarked for designated projects. Discussion ensued.

Mr. Andres indicated there were no material weaknesses in the interior controls. IMRF retirement costs are approximately 16% unfunded and will be noted in future audits in accordance with GASB 68 accounting regulations. Other employee benefits will also mandated to be reflected in the audit report in a couple of years.

Mr. O'Donnell provided the 2014 regional wholesale sewer system reports. He reviewed revenue and expenses for the southeast, northeast central, and northwest areas. Discussion ensued.

Mr. Andres indicated Ms. Dobson will be taking his place and will handle the County's accounts as he has retired. Ms. Dobson introduced herself to the Committee.

7.8 [12-1231](#)

Director's Report - Public Works.

Public Works Director Peter Kolb reported staff continues to work on the Lake Michigan Water Project. The design work is approximately 60 percent complete, the route has been selected, and right of way acquisition will begin shortly. The mayor of Old Mill Creek has sent a letter to Central Lake County Joint Action Water Agency regarding the possibility of providing the municipality water. The Village of Antioch also is seeking to obtain Lake Michigan water. Discussion ensued.
