Facilities and Construction Services

8.1 [21-0850](#)

Discussion on Facilities Capital Improvement Plan (CIP) Priorities for Fiscal Year (FY) 2022.

Attachments: [FY22 Facilities CIP Priority Brief Updated.pdf](#)

Carl Kirar, Facilities and Construction Director, provided a presentation on FY 2022 Facilities CIP Priorities.

(Member Wilke arrived at 8:48 a.m.)

Director Kirar reported that Facilities CIP Priorities list is developed by key elected officials and department heads who ranked the projects on importance. The list is reviewed by the County Administrator's Office and brought to the County Board for approval. The last priorities list was approved by the County Board on September 8, 2020. Director Kirar clarified that approving the CIP Priorities list does not guarantee funding of the projects. Funding of projects is a multi-tier process that includes budget hearings, design approval, and the construction of the project.

Director Kirar reviewed the Facilities CIP Priorities list for FY 2022. The list contains 12 projects of which the top four include the construction of a 911 Dispatch / Emergency Operations Center (EOC) / Emergency Telephone System Board (ETSB) Facility, construction of a Sheriff's Public Safety Building, the Depke Juvenile Justice Center Renovations, and the construction of a Coroner's Office.

Discussion ensued regarding funding commitments from entities for the 911 Dispatch / EOC / ETSB Facility, the lack of space to allow for girls to participate in the FACE-IT program at the Depke Juvenile Center, funding for the projects, and the lack of space at the Children's Advocacy Center.

Director Kirar reviewed the scope of each of the projects, the estimated cost, the risks, efficiencies, and alternate options that could be considered. Gary Gibson, County Administrator, noted an error in the slide deck regarding the priority level of projects.

(Vice-Chair Vealitzek and Administrator Gibson left the meeting at 9:20 a.m.)

Discussion continued regarding the possibility of having a satellite office for the Children's Advocacy Center, the need to confer with judges regarding the evolving structure and participation level of the FACE-IT program, how the appointment of new judges by state legislature over the upcoming years may impact the priorities list, the need for a consultant to help with a master plan, and the need for more information regarding the Sheriff's Public Safety Building.

Director Kirar reviewed the next steps in approving the priorities list.

The Facilities Capital Improvement Plan Priorities list for Fiscal Year 2022 was discussed.
