Joint resolution authorizing execution of a contract in the amount of \$72,009 with Water Well Solutions Illinois Division, LLC of Lake Villa, for the Water Well Closure and Abandonment Project

- The Vernon Hills, Wildwood and Countryside Manor water systems receive their water from CLCJAWA; however, these systems have back-up wells that have been in place since Lake Michigan water delivery began in 1990.
- It has been determined to be more cost effective to discontinue and abandon the wells because the back-up wells are in need of significant service and repair and have not been utilized since the 1990's.
- The County received bids from four contractors for this work.
- Award of this contract is recommended to the lowest responsive, responsible bidder, Water Well Solutions Illinois Division, LLC in the amount of \$ 72,009.
