Ordinance amending the Cross Connection Control Ordinance to allow for enforcement via the Administrative Adjudication System.

- In September, 2011 the County Board adopted the Lake County Administrative Adjudication Ordinance to provide swift compliance with public nuisance and animal care and control violations.
- The program has been successful following implementation in May, 2012.
- To build on this success, the proposed amendments will allow this ordinance to be enforced by the Lake County Administrative Adjudication Ordinance.
- This ordinance specifically modifies the Cross Connection Control Ordinance and any violations would be enforceable by the Department of Public Works or the Department of Planning, Building and Development under provisions of the Administrative Adjudication Ordinance.
