Joint resolution adopting the 2024-2029 Transportation Improvement Program as the official transportation program for the Lake County Division of Transportation.

- Illinois Road and Bridge Laws (605 ILCS 5/5-301) require County Engineers of the State of Illinois to annually prepare an updated five-year Transportation Improvement Program
- The five-year Transportation Improvement Program is a planning document that serves, in part, as the scheduling component of the Lake County 2040 Transportation Plan and is intended as a guide for future improvement and maintenance.
- The County Engineer and Division of Transportation staff have prepared the 2024-2029 Transportation Improvement Program and the County Engineer presented the program to the Public Works and Transportation Committee on June 5, 2024.
- The 2024-2029 Transportation Improvement Program aligns with the County Board Strategic Plan adopted in September 2023, including the Strategic Goal: Adaptive Infrastructure.

RESOLUTION

WHEREAS, in order to provide for a comprehensive and coordinated system of transportation improvements and maintenance, it is necessary to undertake a multi-year approach to the planning of said improvements and maintenance; and

WHEREAS, in accordance with 605 ILCS 5/5-301, the County Engineers of the State of Illinois are required to annually prepare an updated five-year Transportation Improvement

Program; and

WHEREAS, said Transportation Improvement Program is a planning document and is therefore intended as a guide for future improvement and maintenance and is subject to modification; and

WHEREAS, on June 10, 2014, the Lake County Board adopted the Year 2040 Transportation Plan as its long-range transportation plan; and

WHEREAS, implementation of the Lake County 2040 Transportation Plan is accomplished, in part, through the adoption and implementation of the 2024-2029 Transportation Improvement Program; and

WHEREAS, the County Engineer and Division of Transportation staff have prepared the 2024-2029 Transportation Improvement Program; and

WHEREAS, the County Engineer presented the 2024-2029 Transportation Improvement Program to the Public Works and Transportation Committee on June 5, 2024; and

WHEREAS, the 2024-2029 Transportation Improvement Program aligns with the Lake County Board Strategic Plan adopted in September 2023, including Strategic Goal: Adaptive Infrastructure.

NOW, THEREFORE, BE IT RESOLVED, that this County Board of Lake County, Illinois, hereby adopts the 2024-2029 Transportation Improvement Program as the official transportation program for the Lake County Division of Transportation; and

BE IT FURTHER RESOLVED, that the County Engineer shall cause to be published a final draft of the 2024-2029 Transportation Improvement Program to comply with statutory requirements of 605 ILCS 5/5-301 and for making available to the public on the Lake County Division of Transportation's website and other appropriate mediums; and

BE IT FURTHER RESOLVED, that the Lake County Clerk is hereby directed to transmit a certified copy of this resolution to the district office of the Illinois Department of Transportation through the office of the County Engineer.

DATED at Waukegan, Illinois, on July 9, 2024.
