Ordinance amending water and sewer related rates for certain Lake County systems.

- The rate ordinance establishes all water and sewer user rates and connection fees for county water and sewer systems.
- The ordinance is revised periodically to modify rates and fees, as necessary.
- This proposed ordinance decreases the CLCJAWA Service Area water rate from \$5.88 per 1,000 gallons to \$5.79 per 1,000 gallons as a result of a decrease in the water purchase cost from CLCJAWA; increases the Hawthorn Woods - Glennshire and Forest Lake water rate from \$6.89 to \$7.05 per 1,000 gallons based on a \$0.16 increase by Aqua Illinois in accordance to the purchase contract and the 2012 ICC approved rate increase; and increases certain laboratory test fees for customers that request testing of their water or wastewater that are listed as Attachment A.
