Ordinance Amending Certain Prior Rate Ordinances for the Use and Service of Certain Waterworks and Sewerage Systems of the County of Lake.

- The Rate Ordinance establishes all the water and sewer user rates and connection fees for the County’s water and sewer system.
- The Ordinance is revised periodically to modify rates and fees, as necessary.
- This proposed Ordinance revision increases the water rate for CLCJAWA Service Areas from \$5.62 per 1,000 gallons to \$5.69 per 1,000 gallons.
- This increase is a direct pass-through from a rate increase by CLCJAWA which is effective May 1, 2010.
- The revised Ordinance also includes increased water meter charges to cover cost increases for the price of water meters.
