- The intersection improvement of Rollins Road at Illinois Route 83/CNRR is included in the County’s 2012-2017 Highway Improvement Program.
- At the July 20, 2012 County Board meeting, an agreement with ComEd was approved for relocating transmission facilities and \$3,625,000 of ¼% Sales Tax for Transportation and Public Safety funds was appropriated based on an estimated cost of \$3,080,732.
- ComEd has completed detail engineering, the previous letter agreement was based on preliminary engineering, and the new estimated cost is \$4,525,905.
