FQHC Healthcare Operations Metrics Dashboard

Review of attached metrics dashboard. Congratulations to the Midlakes Health Center for conducting a Quality Improvement project which reduced their no-show rate by 50% in just one month! Their new process will be implemented at all Health Centers in May. Congratulations to the Patient Access Center (PAC) for conducting a Quality Improvement project to assist all Health Centers in lowering their no-show rate. Evidence of their success is noted in a decrease in no-show rates at six health centers between March and April.
